Ms. Caitlin Culpepper

Taylor County Sheriff's Office

Dear Ms. Culpepper:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 611444.

The Taylor County Sheriff's Office (the "sheriff's office") received a request for information pertaining to a named individual. You state the sheriff's office does not have information responsive to some of the request.<sup>1</sup> You claim the requested information is excepted from disclosure under sections 552.101, 552.108, and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note the submitted information includes an officer's body worn camera recording. Body worn cameras are subject to chapter 1701 of the Occupations Code.

---

<sup>1</sup>We note the Act does not require a governmental body to disclose information that did not exist at the time the request was received. *Econ. Opportunities Dev. Corp. v. Bustamante*, 562 S.W.2d 266 (Tex. Civ. App.—San Antonio 1978, writ dismissed); Attorney General Opinion H-90 (1973); Open Records Decision Nos. 452 at 2-3 (1986), 342 at 3 (1982), 87 (1975); *see also* Open Records Decision Nos. 572 at 1 (1990), 555 at 1-2 (1990), 416 at 5 (1984).

Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661(a) provides:

A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor does not give the requisite information under section 1701.661(a). As the requestor did not properly request the body worn camera recording at issue pursuant to chapter 1701, our ruling does not reach this information and it need not be released. However, pursuant to section 1701.661(b), a “failure to provide all the information required by Subsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* § 1701.661(b)

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. Section 552.101 encompasses the doctrine of common-law privacy, which protects information that is (1) highly intimate or embarrassing, the publication of which would be highly objectionable to a reasonable person, and (2) not of legitimate concern to the public. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). To demonstrate the applicability of common-law privacy, both prongs of this test must be satisfied. *Id.* at 681-82. Types of information considered intimate and embarrassing by the Texas Supreme Court are delineated in *Industrial Foundation*. *Id.* at 683. A compilation of an individual’s criminal history is highly embarrassing information, the publication of which would be highly objectionable to a reasonable person. *Cf. U.S. Dep’t of Justice v. Reporters Comm. for Freedom of the Press*, 489 U.S. 749, 764 (1989) (finding significant privacy interest in compilation of individual’s criminal history by recognizing distinction between public records found in courthouse files and local police stations and compiled summary of criminal history information). Furthermore, we find that a compilation of a private citizen’s criminal history is generally not of legitimate concern to the public. However, we note records relating to routine traffic violations are not considered criminal history information. *Cf. Gov’t Code § 411.082(2)(B)*.

The present request requires the sheriff's office to compile unspecified law enforcement records concerning the individual at issue. We find this request for unspecified law enforcement records implicates the named individual's right to privacy. Therefore, to the extent the sheriff's office maintains law enforcement records depicting the named individual as a suspect, arrestee, or criminal defendant, the sheriff's office must withhold any such information under section 552.101 of the Government Code in conjunction with common-law privacy. We note that the sheriff's office has submitted information that does not depict the named individual as a suspect, arrestee, or a criminal defendant. This information does not constitute a criminal history compilation protected by common-law privacy and may not be withheld on that basis under section 552.101.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130. Upon review, we find the remaining information contains information subject to section 552.130. You state the sheriff's office does not have the technological capability to redact the motor vehicle record information from the video recording. Accordingly, the sheriff's office must withhold the submitted video recording in its entirety under section 552.130 of the Government Code. The sheriff's office must also withhold the motor vehicle record information we have marked under section 552.130 of the Government Code.

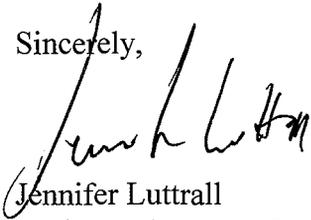

In summary, as the requestor did not properly request the body worn camera recording at issue pursuant to chapter 1701, our ruling does not reach this information and it need not be released. To the extent the sheriff's office maintains law enforcement records depicting the named individual as a suspect, arrestee, or criminal defendant, the sheriff's office must withhold any such information under section 552.101 of the Government Code in conjunction with common-law privacy. The sheriff's office must withhold the submitted video recording in its entirety under section 552.130 of the Government Code. The sheriff's office must also withhold the motor vehicle record information we marked under section 552.130 of the Government Code. The remaining information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
