ATTORNEY GENERAL OF TEXAS

May 26, 2016

Ms. Kristen N. Lee  
Assistant County Attorney  
County of Harris  
1019 Congress, 15<sup>th</sup> Floor  
Houston, Texas 77002

OR2016-12092

Dear Ms. Lee:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 616441 (C.A. File No. 16PIA0173).

The Harris County Institute of Forensic Sciences (the "institute") received a request for the full autopsy report and detailed findings of a specified autopsy. You claim the submitted information is excepted from disclosure under section 552.103 of the Government Code. We have considered the exception you claim and reviewed the submitted information. We have also received and considered comments from the requestor. *See* Gov't Code § 552.304 (permitting interested third party to submit to attorney general reasons why requested information should or should not be released).

Initially, we note the submitted information contains completed reports subject to section 552.022 of the Government Code. Section 552.022(a)(1) provides for the required disclosure of "a completed report, audit, evaluation, or investigation made of, for, or by a governmental body," unless the information is excepted from disclosure under section 552.108 of the Government Code or is made confidential under the Act or other law. *Id.* § 552.022(a)(1). You assert this information is excepted from release under section 552.103 of the Government Code. However, section 552.103 is a discretionary exception and does not make information confidential under the Act. *See Dallas Area Rapid Transit v. Dallas Morning News*, 4 S.W.3d 469, 475-76 (Tex. App.—Dallas 1 999, no pet.) (governmental body may waive section 552.103); *see also* Open Records Decision Nos. 542

at 4 (1990) (statutory predecessor to section 552.103 may be waived), 665 at 2 n.5 (2000) (discretionary exceptions generally). Therefore, the institute may not withhold the completed reports, which we have marked, under section 552.103. As you raise no further exceptions to disclosure for this information, it must be released. However, we will address your argument under section 552.103 for the information not subject to section 552.022.

Section 552.103 of the Government Code provides, in relevant part, as follows:

(a) Information is excepted from [required public disclosure] if it is information relating to litigation of a civil or criminal nature to which the state or a political subdivision is or may be a party or to which an officer or employee of the state or a political subdivision, as a consequence of the person's office or employment, is or may be a party.

...

(c) Information relating to litigation involving a governmental body or an officer or employee of a governmental body is excepted from disclosure under Subsection (a) only if the litigation is pending or reasonably anticipated on the date that the requestor applies to the officer for public information for access to or duplication of the information.

Gov't Code § 552.103(a), (c). The governmental body has the burden of providing relevant facts and documents to show the section 552.103(a) exception is applicable in a particular situation. The test for meeting this burden is a showing that (1) litigation is pending or reasonably anticipated on the date the governmental body received the request for information and (2) the information at issue is related to that litigation. *Univ. of Tex. Law Sch. v. Tex. Legal Found.*, 958 S.W.2d 479, 481 (Tex. App.—Austin 1997, orig. proceeding); *Heard v. Houston Post Co.*, 684 S.W.2d 210, 212 (Tex. App.—Houston [1st Dist.] 1984, writ ref'd n.r.e.); Open Records Decision No. 551 at 4 (1990). The governmental body must meet both prongs of this test for information to be excepted from disclosure under section 552.103(a).

The county attorney's office states, and provides documentation showing, a lawsuit styled *Green v. Harris County, Texas*, C.A. No. 16-CV-00893, was pending against Harris County in the United States District Court for the Southern District of Texas, when the institute received the request for information. Therefore, we agree litigation was pending when the institute received the request. We also find you have established the remaining information is related to the pending litigation for purposes of section 552.103(a). Therefore, the institute may withhold the remaining information under section 552.103(a) of the Government Code.

However, once the information has been obtained by all parties to the pending litigation, no section 552.103(a) interest exists with respect to that information. Open Records Decision

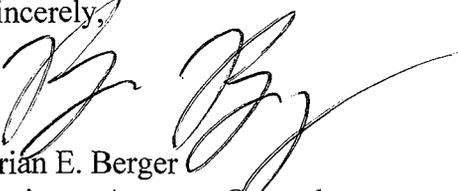

No. 349 at 2 (1982). We also note the applicability of section 552.103(a) ends when the litigation has concluded. Attorney General Opinion MW-575 at 2 (1982); Open Records Decision Nos. 350 at 3 (1982), 349 at 2.

In summary, the institute must release the information we have marked pursuant to section 552.022(a)(1) of the Government Code. The institute may withhold the remaining information under section 552.103(a) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
