Assistant City Attorney

OR2016-12292

Dear Mr. Kopp:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 619002 (COSA File Nos. W120793, W122993).

The San Antonio Police Department (the "department") received two requests from different requestors for a specified offense report. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code.¹ We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from public disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes. Section 261.201 of the Family Code provides, in part, as follows:

(a) [T]he following information is confidential, is not subject to public release under Chapter 552, Government Code, and may be disclosed only for purposes consistent with this code and applicable federal or state law or under rules adopted by an investigating agency:

¹We note the department did not comply with section 552.301 of the Government Code in requesting this decision. *See* Gov't Code § 552.301(b). Nonetheless, because section 552.101 of the Government Code can provide a compelling reason to overcome the presumption of openness, we will consider its applicability to the submitted information. *See id.* §§ 552.007, .302, .352.

- (1) a report of alleged or suspected abuse or neglect made under this chapter and the identity of the person making the report; and
- (2) except as otherwise provided in this section, the files, reports, records, communications, audiotapes, videotapes, and working papers used or developed in an investigation under this chapter or in providing services as a result of an investigation.

Fam. Code § 261.201(a). You state the submitted information relates to an investigation of alleged or suspected child abuse or neglect conducted by the department. *See id.* §§ 101.003(a) (defining “child” for purposes of this section as person under 18 years of age who is not and has not been married or who has not had the disabilities of minority removed for general purposes), 261.001(1), (4) (defining “abuse” and “neglect” for purposes of chapter 261 of the Family Code). Accordingly, we find this information is subject to section 261.201 of the Family Code. You do not indicate the department has adopted a rule that governs the release of this type of information. Therefore, we assume no such regulation exists. Given that assumption, we conclude the submitted information is confidential pursuant to section 261.201 of the Family Code, and the department must withhold it under section 552.101 of the Government Code. *See* Open Records Decision No. 440 at 2 (1986) (predecessor statute).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Sincerely,

Nicholas A. Ybarra
