

**KEN PAXTON**  
ATTORNEY GENERAL OF TEXAS

May 31, 2016

Mr. Guillermo Trevino  
Assistant City Attorney  
Office of the City Attorney  
City of Fort Worth  
1000 Throckmorton Street, 3rd Floor  
Fort Worth, Texas 76102

OR2016-12350

Dear Mr. Trevino:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 612048 (Fort Worth PIR No. W050058).

The City of Fort Worth (the "city") received a request for information pertaining to a specified case involving the requestor's client. You state the city will release a majority of the requested information. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes, such as laws that make criminal history record information ("CHRI") confidential. CHRI generated by the National Crime Information Center (the "NCIC") or by the Texas Crime Information Center is confidential under federal and state law. CHRI means "information collected about a person by a criminal justice agency that consists of identifiable descriptions and notations of arrests, detentions, indictments, informations, and other formal criminal charges and their dispositions." *Id.* § 411.082(2). Title 28, part 20 of the Code of Federal Regulations governs the release of CHRI obtained from the NCIC network or other states. *See* 28 C.F.R. § 20.21. The federal regulations allow each state to follow its individual law with respect to CHRI it

generates. Open Records Decision No. 565 at 7 (1990). *See generally* Gov't Code §§ 411.081-.1409. Section 411.083 of the Government Code deems confidential CHRI the Texas Department of Public Safety ("DPS") maintains, except DPS may disseminate this information as provided in chapter 411, subchapter E-1 or F of the Government Code. *See* Gov't Code § 411.083(a). Sections 411.083(b)(1) and 411.089(a) authorize a criminal justice agency to obtain CHRI; however, a criminal justice agency may not release CHRI except to another criminal justice agency for a criminal justice purpose. *Id.* § 411.089(b)(1). Other entities specified in chapter 411 of the Government Code are entitled to obtain CHRI from DPS or another criminal justice agency; however, those entities may not release CHRI except as provided by chapter 411. *See generally id.* §§ 411.090-.127. Thus, any CHRI generated by the federal government or another state may not be made available to the requestor except in accordance with federal regulations. *See* ORD 565. Upon review, we conclude the city must withhold the CHRI you have marked under section 552.101 in conjunction with federal law and chapter 411 of the Government Code.

Section 552.101 of the Government Code also encompasses the Medical Practice Act (the "MPA"), subtitle B of title 3 of the Occupations Code, which provides in pertinent part, the following:

(a) A communication between a physician and a patient, relative to or in connection with any professional services as a physician to the patient, is confidential and privileged and may not be disclosed except as provided by this chapter.

(b) A record of the identity, diagnosis, evaluation, or treatment of a patient by a physician that is created or maintained by a physician is confidential and privileged and may not be disclosed except as provided by this chapter.

(c) A person who receives information from a confidential communication or record as described by this chapter, other than a person listed in Section 159.004 who is acting on the patient's behalf, may not disclose the information except to the extent that disclosure is consistent with the authorized purposes for which the information was first obtained.

Occ. Code § 159.002(a)-(c). Information that is subject to the MPA includes both medical records and information obtained from those medical records. *See id.* §§ 159.002, .004. Upon review, we find the information you have marked constitutes a medical record. As such, the city must withhold the marked medical record under section 552.101 in conjunction with the MPA.<sup>1</sup>

---

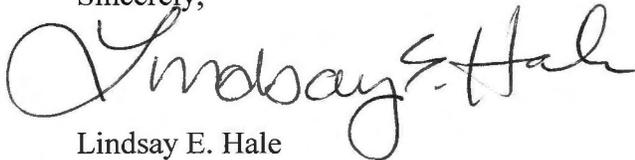

<sup>1</sup>As our ruling is dispositive, we need not address your remaining argument against disclosure of this information.

In summary, the city must withhold the CHRI you have marked under section 552.101 of the Government Code in conjunction with federal law and chapter 411 of the Government Code and the medical record you have marked under section 552.101 of the Government Code in conjunction with the MPA.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
