

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

June 1, 2016

Mr. James Kopp
Assistant City Attorney
City of San Antonio
P.O. Box 839966
San Antonio, Texas 78283-3966

OR2016-12407

Dear Mr. Kopp:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 612273 (COSA File No. W115623).

The City of San Antonio (the "city") received a request for information pertaining to a specified case and the time sheets of a named San Antonio Police Department (the "department") officer for a specified time. You state you will release some information. You claim the submitted information is excepted from disclosure under sections 552.101, 552.117, and 552.1175 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information protected by section 143.089 of the Local Government Code. We understand the city is a civil service city under chapter 143 of the Local Government Code. Section 143.089 provides for the maintenance of two different types of personnel files for each police officer employed by a civil service city: one that must be maintained as part of the officer's civil service file and another that the police department may maintain for its own internal use. *See* Local Gov't Code § 143.089(a), (g). Under section 143.089(a), the officer's civil service file must contain certain specified items, including commendations, periodic evaluations by the police officer's supervisor, and documents relating to any misconduct in any instance in which the department took disciplinary action against the officer under chapter 143 of the Local Government Code. *Id.* § 143.089(a)(1)-(3). Chapter 143 prescribes the following types of disciplinary actions: removal, suspension, demotion, and uncompensated duty. *Id.* §§ 143.051-.055. In cases in which a police department investigates a police officer's misconduct and takes disciplinary action against an officer, it is required by

section 143.089(a)(2) to place all investigatory records relating to the investigation and disciplinary action, including background documents such as complaints, witness statements, and documents of like nature from individuals who were not in a supervisory capacity, in the police officer's civil service file maintained under section 143.089(a). *See Abbott v. Corpus Christi*, 109 S.W.3d 113,122 (Tex. App.—Austin 2003, no pet.).

All investigatory materials in a case resulting in disciplinary action are “from the employing department” when they are held by or are in the possession of the department because of its investigation into a police officer's misconduct, and the department must forward them to the civil service commission for placement in the civil service personnel file. *Id.* Such records may not be withheld under section 552.101 of the Government Code in conjunction with section 143.089 of the Local Government Code. *See* Local Gov't Code § 143.089(f); Open Records Decision No. 562 at 6 (1990). Information relating to alleged misconduct or disciplinary action taken must be removed from the police officer's civil service file if the police department determines that there is insufficient evidence to sustain the charge of misconduct or that the disciplinary action was taken without just cause. *See* Local Gov't Code § 143.089(b)-(c).

Section 143.089(g) authorizes a police department to maintain, for its own use, a separate and independent internal personnel file relating to a police officer. *See id.* § 143.089(g). Section 143.089(g) provides as follows:

A fire or police department may maintain a personnel file on a fire fighter or police officer employed by the department for the department's use, but the department may not release any information contained in the department file to any agency or person requesting information relating to a fire fighter or police officer. The department shall refer to the director or the director's designee a person or agency that requests information that is maintained in the fire fighter's or police officer's personnel file.

Id. In *City of San Antonio v. Texas Attorney General*, 851 S.W.2d 946 (Tex. App.—Austin 1993, writ denied), the court addressed a request for information contained in a police officer's personnel file maintained by the police department for its use and the applicability of section 143.089(g) to that file. The records included in the departmental personnel file related to complaints against the police officer for which no disciplinary action was taken. The court determined section 143.089(g) made these records confidential. *See City of San Antonio*, 851 S.W.2d at 949; *see also City of San Antonio v. San Antonio Express-News*, 47 S.W.3d 556 (Tex. App.—San Antonio 2000, pet. denied) (restricting confidentiality under Local Gov't Code § 143.089(g) to “information reasonably related to a police officer's or fire fighter's employment relationship”); Attorney General Opinion JC-0257 at 6-7 (2000) (addressing functions of Local Gov't Code § 143.089(a) and (g) files).

You state the submitted information is contained within the department's internal files maintained pursuant to section 143.089(g) of the Local Government Code. Based on your representation and our review, we find the information we have marked is confidential under

section 143.089(g) of the Local Government Code and must be withheld from disclosure under section 552.101 of the Government Code.¹ However, we note the remaining information consists of law enforcement records which are maintained independently of the personnel file at issue. Because the requestor asks for the full report associated with the specified case, both information in an officer's personnel file and any copies of investigatory materials the city maintains for law enforcement purposes are responsive. The city may not engraft the confidentiality afforded to records under section 143.089(g) to records that exist independently of the internal files. Thus, we conclude the city may not withhold any portion of the remaining information under section 552.101 of the Government Code in conjunction with section 143.089(g) of the Local Government Code.

Section 552.101 of the Government Code also encompasses chapter 772 of the Health and Safety Code, which authorizes the development of local emergency communication districts. Sections 772.118, 772.218, and 772.318 of the Health and Safety Code are applicable to emergency 9-1-1 districts established in accordance with chapter 772. *See* Open Records Decision No. 649 (1996). These sections make the originating telephone numbers and addresses of 9-1-1 callers furnished by a service supplier confidential. *Id.* at 2. Section 772.118 applies to an emergency communication district for a county with a population of more than two million. Section 772.218 applies to an emergency communication district for a county with a population of more than 860,000. Section 772.318 applies to an emergency communication district for a county with a population of more than 20,000.

You state the city is part of an emergency communication district established under section 772.218 of the Health and Safety Code. You indicate the information you marked contains originating telephone numbers of 9-1-1 callers furnished by a service supplier. Thus, we conclude the city must withhold the information you have marked under section 552.101 of the Government Code in conjunction with section 772.218 of the Health and Safety Code.

Section 552.1175 of the Government Code protects the home address, home telephone number, emergency contact information, date of birth, social security number, and family member information of certain individuals, when that information is held by a governmental body in a non-employment capacity and the individual elects to keep the information confidential. Gov't Code § 552.1175(b). Section 552.1175 applies, in part, to "peace officers as defined by Article 2.12, Code of Criminal Procedure[.]" *Id.* § 552.1175(a)(1). Therefore, if the peace officer whose information is at issue elects to restrict access to his information in accordance with section 552.1175(b), the city must withhold the information you marked and we marked under section 552.1175 of the Government Code.

¹As our ruling is dispositive, we need not address your remaining argument against disclosure of this information.

We note portions of the remaining information are subject to section 552.130 of the Government Code.² Section 552.130 of the Government Code provides information relating to a motor vehicle operator's or driver's license or permit, a motor vehicle title or registration, or a personal identification document issued by an agency of Texas or another state or country is excepted from public release. *Id.* § 552.130(a). We conclude the city must withhold the information we have marked under section 552.130 of the Government Code.

In summary, the city must withhold the information we marked under section 552.101 of the Government Code in conjunction with section 143.089(g) of the Local Government Code. The city must withhold the information you have marked under section 552.101 of the Government Code in conjunction with section 772.218 of the Health and Safety Code. If the peace officer whose information is at issue elects to restrict access to his information in accordance with section 552.1175(b), the city must withhold the information you marked and we marked under section 552.1175 of the Government Code. The city must withhold the information we have marked under section 552.130 of the Government Code. The remaining information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
