Re: Request for all incident reports, all 911 recordings, and all dash cam, body camera, security camera, and any other footage regarding a shooting that took place on 05/02/16 near the intersection of named location.

Dear Ms. Weaver:

The Office of the Attorney General has received your request for a ruling and assigned your request ID# 619913.

After reviewing your arguments and the submitted information, we have determined your request does not present a novel or complex issue. Thus, we are addressing your claims in a memorandum opinion. You state you do not possess the requested incident reports and claim the submitted information may be withheld from public disclosure pursuant to section 552.108(a)(1) of the Government Code on behalf of a law enforcement agency with a law enforcement interest. Further, you inform this office the law enforcement agency objects to the disclosure of the information because it relates to an ongoing criminal case and release would interfere with the case. Thus, we conclude you may withhold the submitted information pursuant to section 552.108(a)(1).

For more information on the cited exception, please refer to the open government information on our website at <https://www.oag.state.tx.us/open/memorulings.shtml>. You may also contact our Open Government Hotline at 1-877-OPENTEX.
