

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

June 6, 2016

Ms. Karla Schultz
Counsel for the Hays Consolidated Independent School District
Walsh Gallegos Treviño Russo & Kyle, P.C.
P.O. Box 2156
Austin, Texas 78768

OR2016-12821

Dear Ms. Schultz:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 613067.

The Hays Consolidated Independent School District (the "district"), which you represent, received a request for information related to the district's severe weather shelter protocols. You state you have released some information to the requestor. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the raised argument and reviewed the submitted representative sample of information.¹

Initially, we note some of the submitted information is not responsive to the request for information because it does not relate to the district's severe weather shelter protocols. This ruling does not address the public availability of any information that is not responsive to the request, and the district is not required to release this information in response to this request.²

¹This letter ruling assumes the submitted representative sample of information is truly representative of the requested information as a whole. This ruling does not reach, and therefore does not authorize the withholding of, any other requested information to the extent that the other information is substantially different than that submitted to this office. *See* Gov't Code §§ 552.301(e)(1)(D), .302; Open Records Decision Nos. 499 at 6 (1988), 497 at 4 (1988).

²As we reach this determination for this information, we need not consider your remaining argument against its disclosure.

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. This section encompasses information protected by other statutes. As part of the Texas Homeland Security Act (the “HSA”), sections 418.176 through 418.182 were added to chapter 418 of the Government Code. Section 418.176 provides, in relevant part, as follows:

(a) Information is confidential if the information is collected, assembled, or maintained by or for a governmental entity for the purpose of preventing, detecting, responding to, or investigating an act of terrorism or related criminal activity and:

(1) relates to staffing requirements of an emergency response provider, including a law enforcement agency, a fire-fighting agency, or an emergency services agency; [or]

(2) relates to a tactical plan of the provider[.]

Id. § 418.176(a)(1)-(2). Section 418.177 provides as follows:

Information is confidential if the information:

(1) is collected, assembled, or maintained by or for a governmental entity for the purpose of preventing, detecting, or investigating an act of terrorism or related criminal activity; and

(2) relates to an assessment by or for a governmental entity, or an assessment that is maintained by a governmental entity, of the risk or vulnerability of persons or property, including critical infrastructure, to an act of terrorism or related criminal activity.

Id. § 418.177. Section 418.181 provides:

Those documents or portions of documents in the possession of a governmental entity are confidential if they identify the technical details of particular vulnerabilities of critical infrastructure to an act of terrorism.

Id. § 418.181. The fact that information may generally be related to emergency preparedness does not make the information *per se* confidential under the provisions of the HSA. *See* Open Records Decision No. 649 at 3 (1996) (language of confidentiality provisions controls scope of its protection). Furthermore, the mere recitation by a governmental body of a statute’s key terms is not sufficient to demonstrate the applicability of the claimed provision. As with any confidentiality statute, a governmental body asserting this section must adequately explain how the responsive information falls within the scope of the provision.

See Gov't Code § 552.301(e)(1)(A) (governmental body must explain how claimed exception to disclosure applies).

You inform us the submitted information consists of the emergency operations plan of certain district facilities. Upon review, we conclude the some of the submitted information relates to staffing requirements and tactical plans of emergency response providers maintained by the district for the purpose of preventing, detecting, responding to, or investigating an act of terrorism or related criminal activity. Accordingly, the district must withhold the information we have marked under section 552.101 of the Government Code in conjunction with section 418.176 of the Government Code.³ However, upon review, we find you have failed to demonstrate any of the remaining information is confidential under section 418.176, section 418.177, or section 418.181 of the Government Code. As such, the district may not withhold any of the responsive information under section 552.101 on any of these bases.

Section 552.117(a)(1) of the Government Code excepts from disclosure the home address and telephone number, emergency contact information, social security number, and family member information of a current or former employee or official of a governmental body who requests this information be kept confidential under section 552.024 of the Government Code, except as provided by section 552.024(a-1). *See id.* §§ 552.117(a)(1), .024. Section 552.024(a-1) of the Government Code provides, "A school district may not require an employee or former employee of the district to choose whether to allow public access to the employee's or former employee's social security number." *Id.* § 552.024(a-1). Thus, the district may only withhold under section 552.117 the home address and telephone number, emergency contact information, and family member information of a current or former employee or official of the district who requests this information be kept confidential under section 552.024. We note section 552.117 is also applicable to personal cellular telephone numbers, provided the cellular telephone service is not paid for by a governmental body. *See* Open Records Decision No. 506 at 5-6 (1988) (section 552.117 not applicable to cellular telephone numbers paid for by governmental body and intended for official use). Whether a particular item of information is protected by section 552.117(a)(1) must be determined at the time of the governmental body's receipt of the request for the information. *See* Open Records Decision No. 530 at 5 (1989). Thus, information may be withheld under section 552.117(a)(1) only on behalf of a current or former employee or official who made a request for confidentiality under section 552.024 prior to the date of the governmental body's receipt of the request for the information. Therefore, to the extent the individuals whose information is at issue timely requested confidentiality under section 552.024 of the Government Code, the district must withhold the information we have marked under section 552.117(a)(1) of the Government Code; however, the marked cellular telephone numbers may be withheld only if a governmental body does not pay for the cellular telephone service.

³As our ruling is dispositive for this information, we need not consider your remaining arguments against its disclosure.

In summary, the district must withhold the information we have marked under section 552.101 of the Government Code in conjunction with section 418.176 of the Government Code. To the extent the individuals whose information is at issue timely requested confidentiality under section 552.024 of the Government Code, the district must withhold the information we have marked under section 552.117(a)(1) of the Government Code; however, the marked cellular telephone numbers may be withheld only if a governmental body does not pay for the cellular telephone service. The district must release the remaining responsive information to the requestor.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
