ATTORNEY GENERAL OF TEXAS

June 7, 2016

Mr. Zachary Brown
Assistant General Counsel
Office of the General Counsel
Texas Department of Criminal Justice
P.O. Box 4004
Huntsville, Texas 77342-4004

OR2016-12873

Dear Mr. Brown:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 613088.

The Texas Department of Criminal Justice (the "department") received a request for information pertaining to an incident involving a named inmate and named former employee. You argue the department need not comply with the request for information pursuant to section 552.028 of the Government Code. In the alternative, you claim the submitted information is excepted from disclosure under section 552.134 of the Government Code.¹ We have considered your arguments and reviewed the submitted information.

Section 552.028 of the Government Code provides, in relevant part:

(a) A governmental body is not required to accept or comply with a request for information from:

¹We note the department did not comply with section 552.301 of the Government Code in requesting this decision. *See* Gov't Code § 552.301(b), (e). Nonetheless, because section 552.134 of the Government Code can provide a compelling reason to overcome the presumption of openness, we will consider its applicability to the submitted information. *See id.* §§ 552.007, .302, .352.

(1) an individual who is imprisoned or confined in a correctional facility; or

(2) an agent of that individual, other than that individual's attorney when the attorney is requesting information that is subject to disclosure under [the Act].

(b) This section does not prohibit a governmental body from disclosing to an individual described by Subsection (a)(1), or that individual's agent, information held by the governmental body pertaining to that individual.

Gov't Code § 552.028(a)-(b). As noted above, one of the individuals named in the request is an inmate in a correctional facility. You state the requestor is the mother of the named inmate. Further, you assert the requestor is acting on behalf of her incarcerated son because she has stated she plans to hire an attorney and tell the news media about the specified incident. However, upon review, we find you have not established the requestor is requesting information on behalf of the named inmate. Thus, we find you have failed to demonstrate the request for information was submitted by an agent of an individual who is imprisoned or confined in a correctional facility. Accordingly, section 552.028 is not applicable in this instance, and we will address your argument against disclosure of the submitted information.

Section 552.134(a) of the Government Code relates to inmates of the department and provides, in relevant part, the following:

(a) Except as provided by Subsection (b) or by Section 552.029 [of the Government Code], information obtained or maintained by the [department] is excepted from [required public disclosure] if it is information about an inmate who is confined in a facility operated by or under a contract with the department.

Id. § 552.134(a). You state the submitted information constitutes information about an inmate confined in a facility operated by the department. You state section 552.029 of the Government Code does not apply to the information at issue. Upon review, we find the submitted information is subject to section 552.134 of the Government Code and must be withheld on this basis.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
