ATTORNEY GENERAL OF TEXAS

June 10, 2016

Ms. Sarah Parker
Associate General Counsel
Texas Department of Transportation
125 East 11th Street
Austin, Texas 78701-2483

OR2016-13276

Dear Ms. Parker:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 614021.

The Texas Department of Transportation (the "department") received a request for seven specified appraisals.¹ You state the department is releasing some information. You claim the submitted information is excepted from disclosure under sections 552.105 and 552.111 of the Government Code. We have considered the exceptions you claim and reviewed the submitted representative sample of information.²

Section 552.105 of the Government Code excepts from disclosure information relating to "appraisals or purchase price of real or personal property for a public purpose prior to the formal award of contracts for the property." Gov't Code § 552.105(2). Section 552.105 is designed to protect a governmental body's planning and negotiating position with respect to particular transactions. Open Records Decision Nos. 564 at 2 (1990), 357 (1982), 310

¹We note the department sought and received clarification of the information requested. See Gov't Code § 552.222 (providing if request for information is unclear, governmental body may ask requestor to clarify request); see also *City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (if a governmental entity, acting in good faith, requests clarification or narrowing of an unclear or overbroad request for information, the ten-day period to request an attorney general ruling is measured from the date the request is clarified or narrowed).

²We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. See Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

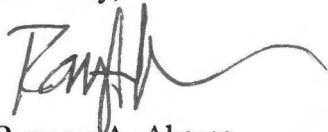

(1982). Information excepted from disclosure under section 552.105 that pertains to such negotiations may be excepted from disclosure so long as the transaction relating to that information is not complete. *See* ORD 310. A governmental body may withhold information “which, if released, would impair or tend to impair [its] ‘planning and negotiating position in regard to particular transactions.’” ORD 357 at 3 (quoting Open Records Decision No. 222 (1979)). The question of whether specific information, if publicly released, would impair a governmental body’s planning and negotiating position with regard to particular transactions is a question of fact. Accordingly, this office will accept a governmental body’s good-faith determination in this regard, unless the contrary is clearly shown as a matter of law. *See* ORD 564.

You state the department has made a good-faith determination that the submitted information relates to the location of real property the department intends to purchase. You explain the department still needs to purchase property in the project area at issue, and release of the submitted information would harm the department’s negotiating position with respect to the acquisition of this property. Based on your representations and our review, we conclude the department may withhold the submitted information under section 552.105 of the Government Code.³

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General’s Open Government Hotline, toll free, at (877) 673-6839. Sincerely,

Ramsey A. Abarca
Assistant Attorney General

³As our ruling is dispositive, we need not address your remaining arguments against disclosure of this information.
