

**KEN PAXTON**  
ATTORNEY GENERAL OF TEXAS

June 15, 2016

Ms. Amy L. Sims  
Deputy City Attorney  
Office of the City Attorney  
City of Lubbock  
P.O. Box 2000  
Lubbock, Texas 79457

OR2016-13540

Dear Ms. Sims:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 614320 (File no. 1312).

The Lubbock Police Department (the "department") received eight requests from the same requestor for personnel information pertaining to eight named police officers. You state you are releasing some of the requested information. You claim the remaining information is excepted from disclosure under section 552.101 of the Government Code.<sup>1</sup> We have

---

<sup>1</sup>Although you also raise section 552.108 of the Government Code, you make no arguments to support this exception. Therefore, we assume you have withdrawn your claim this section applies to the submitted information. *See* Gov't Code §§ 552.301, .302.

considered the exception you claim and reviewed the submitted representative sample of information.<sup>2</sup>

Initially, we note the submitted information contains peace officers' Texas Commission on Law Enforcement ("TCOLE") identification numbers.<sup>3</sup> Section 552.002(a) of the Government Code defines "public information" as information that is written, produced, collected, assembled, or maintained under a law or ordinance or in connection with the transaction of official business:

- (1) by a governmental body;
- (2) for a governmental body and the governmental body:
  - (A) owns the information;
  - (B) has a right of access to the information; or
  - (C) spends or contributes public money for the purpose of writing, producing, collecting, assembling, or maintaining the information; or
- (3) by an individual officer or employee of a governmental body in the officer's or employee's official capacity and the information pertains to official business of the governmental body.

Gov't Code § 552.002(a). In Open Records Decision No. 581 (1990), this office determined certain computer information, such as source codes, documentation information, and other computer programming, that has no significance other than its use as a tool for the maintenance, manipulation, or protection of public property is not the kind of information made public under section 552.021 of the Government Code. We understand an officer's TCOLE identification number is a unique computer-generated number assigned to peace officers for identification in the commissioner's electronic database, and may be used as an access device number on the TCOLE website. Accordingly, we find the officers' TCOLE identification numbers in the submitted information do not constitute public information

<sup>2</sup>We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

<sup>3</sup>The Texas Commission on Law Enforcement Officer Standards and Education was renamed the Texas Commission on Law Enforcement by the 83rd Legislature. *See* Act of May 6, 2013, 83rd Leg., R.S., ch. 93, § 1.01, 2013 Tex. Gen. Laws 174, 174.

under section 552.002 of the Government Code. Therefore, the TCOLE identification numbers are not subject to the Act and need not be released to the requestor.

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. Section 552.101 encompasses information protected by other statutes, such as section 143.089 of the Local Government Code. We note the City of Lubbock (the “city”) is a civil service city under chapter 143 of the Local Government Code. Section 143.089 provides for the maintenance of two different types of personnel files for each police officer employed by a civil service city: one that must be maintained as part of the officer’s civil service file and another that the police department may maintain for its own internal use. *See* Local Gov’t Code § 143.089(a), (g). Under section 143.089(a), the officer’s civil service file must contain certain specified items, including commendations, periodic evaluations by the police officer’s supervisor, and documents relating to any misconduct in any instance in which the department took disciplinary action against the officer under chapter 143 of the Local Government Code. *Id.* § 143.089(a)(1)-(3). Chapter 143 prescribes the following types of disciplinary actions: removal, suspension, demotion, and uncompensated duty. *Id.* §§ 143.051-.055; *see* Attorney General Opinion JC-0257 (2000) (written reprimand is not disciplinary action for purposes of Local Gov’t Code chapter 143). In cases in which a police department investigates a police officer’s misconduct and takes disciplinary action against an officer, it is required by section 143.089(a)(2) to place all investigatory records relating to the investigation and disciplinary action, including background documents such as complaints, witness statements, and documents of like nature from individuals who were not in a supervisory capacity, in the police officer’s civil service file maintained under section 143.089(a). *See Abbott v. Corpus Christi*, 109 S.W.3d 113, 122 (Tex. App.—Austin 2003, no pet.).

All investigatory materials in a case resulting in disciplinary action are “from the employing department” when they are held by or are in the possession of the department because of its investigation into a police officer’s misconduct, and the department must forward them to the civil service commission for placement in the civil service personnel file. *Id.* Such records may not be withheld under section 552.101 of the Government Code in conjunction with section 143.089 of the Local Government Code. *See* Local Gov’t Code § 143.089(f); Open Records Decision No. 562 at 6 (1990). Information relating to alleged misconduct or disciplinary action taken must be removed from the police officer’s civil service file if the police department determines that there is insufficient evidence to sustain the charge of misconduct or that the disciplinary action was taken without just cause. *See* Local Gov’t Code § 143.089(b)-(c).

Section 143.089(g) authorizes a police department to maintain, for its own use, a separate and independent internal personnel file relating to a police officer. *See id.* § 143.089(g). Section 143.089(g) provides as follows:

A fire or police department may maintain a personnel file on a fire fighter or police officer employed by the department for the department's use, but the department may not release any information contained in the department file to any agency or person requesting information relating to a fire fighter or police officer. The department shall refer to the director or the director's designee a person or agency that requests information that is maintained in the fire fighter's or police officer's personnel file.

*Id.* § 143.089(g). In *City of San Antonio v. Texas Attorney General*, 851 S.W.2d 946 (Tex. App.—Austin 1993, writ denied), the court addressed a request for information contained in a police officer's personnel file maintained by the police department for its use and the applicability of section 143.089(g) to that file. The records included in the departmental personnel file related to complaints against the police officer for which no disciplinary action was taken. The court determined section 143.089(g) made these records confidential. See *City of San Antonio*, 851 S.W.2d at 949; see also *City of San Antonio v. San Antonio Express-News*, 47 S.W.3d 556 (Tex. App.—San Antonio 2000, pet. denied) (restricting confidentiality under Local Gov't Code § 143.089(g) to "information reasonably related to a police officer's or fire fighter's employment relationship"); Attorney General Opinion JC-0257 at 6-7 (addressing functions of Local Gov't Code § 143.089(a) and (g) files).

You inform us the submitted information is maintained in the department's internal files for the named officers under section 143.089(g) of the Local Government Code. However, we note some of the submitted information consists of commendations and evaluations by the police officers' supervisors. These documents must be placed in the officers' civil service files under section 143.089(a), unless the department has already done so.<sup>4</sup> See Local Gov't Code § 143.089(a)(1), (3). Upon review, we find the submitted information is confidential under section 143.089(g). Accordingly, the department must withhold the submitted information that is subject to the Act under section 552.101 of the Government Code in conjunction with section 143.089(g) of the Local Government Code.

In summary, the TCOLE identification numbers are not subject to the Act and need not be released to the requestor. The department must withhold the submitted information that is subject to the Act under section 552.101 of the Government Code in conjunction with section 143.089(g) of the Local Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

---

<sup>4</sup>Section 143.089(g) of the Local Government Code requires a police department that receives a request for information maintained in a file under section 143.089(g) to refer that person to the civil service director or the director's designee. Local Gov't Code § 143.089(g).

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Paige Lay
