Mr. Dennis J. Eichelbaum  
Counsel for the Arlington Independent School District  
Eichelbaum Wardell Hansen Powell & Mehl, P.C.

Plano, Texas 75024

OR2016-13866

Dear Mr. Eichelbaum:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 614662.

The Arlington Independent School District (the "district"), which you represent, received a request for a specified investigation report. You claim the submitted information is excepted from disclosure under section 552.103 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.<sup>1</sup>

We note the submitted information is subject to section 552.022 of the Government Code. Section 552.022(a) provides, in relevant part:

(a) [T]he following categories of information are public information and not excepted from required disclosure unless made confidential under this chapter or other law:

---

<sup>1</sup>We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

(1) a completed report, audit, evaluation, or investigation made of, for, or by a governmental body, except as provided by Section 552.108[.]

Gov't Code § 552.022(a)(1). The submitted information pertains to a completed investigation subject to section 552.022(a)(1) of the Government Code. The district must release this information pursuant to section 552.022(a)(1) unless it is excepted from disclosure under section 552.108 of the Government Code or expressly made confidential under the Act or other law. *See id.* Although you raise section 552.103 of the Government Code for the submitted information, this section is a discretionary exception to disclosure and does not make information confidential under the Act. *See Dallas Area Rapid Transit v. Dallas Morning News*, 4 S.W.3d 469, 475-76 (Tex. App.—Dallas 1999, no pet.) (governmental body may waive Gov't Code § 552.103); Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 663 at 5 (1999) (waiver of discretionary exceptions). Therefore, the submitted information may not be withheld under section 552.103. However, we note some of the submitted information is subject to section 552.117 of the Government Code, which makes information confidential under the Act.<sup>2</sup> Therefore, we will consider the applicability of section 552.117 for the information at issue.

Section 552.117(a)(1) of the Government Code applies to records a governmental body holds in an employment capacity and excepts from disclosure the home addresses and telephone numbers, emergency contact information, social security numbers, and family member information of current or former officials or employees of a governmental body who request that this information be kept confidential under section 552.024 of the Government Code, except as provided by section 552.024(a-1). Gov't Code §§ 552.117(a)(1), .024. Section 552.024(a-1) of the Government Code provides, "A school district may not require an employee or former employee of the district to choose whether to allow public access to the employee's or former employee's social security number." *Id.* § 552.024(a-1). Thus, a school district may only withhold under section 552.117 the home address and telephone number, emergency contact information, and family member information of a current or former employee or official of the district who requests this information be kept confidential under section 552.024. Whether a particular piece of information is protected by section 552.117(a)(1) must be determined at the time the request for it is made. *See Open Records Decision No. 530 at 5 (1989)*. Therefore, a governmental body must withhold information under section 552.117 on behalf of a current or former official or employee only if the individual made a request for confidentiality under section 552.024 prior to the date on which the request for this information was made. Accordingly, if the individuals whose information is at issue timely requested confidentiality pursuant to section 552.024, the

<sup>2</sup>The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. *See Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987)*.

district must withhold the information we have marked under section 552.117(a)(1). However, the district may not withhold this information under section 552.117(a)(1) for those employees who did not make a timely election to keep the information confidential. As you raise no further exceptions to disclosure, the remaining information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
