Associate General Counsel
Texas Department of Transportation

OR2016-14336

Dear Ms. Parker:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 615961 (TxDOT File NO. ROW 16-0406).

The Texas Department of Transportation (the "department") received a request for information relating to negotiations to purchase three specified properties. You claim the submitted information is excepted from disclosure under sections 552.103, 552.105, and 552.111 of the Government Code. We have considered the exceptions you claim and reviewed the submitted representative sample of information.¹

Section 552.105 of the Government Code excepts from disclosure information relating to "the location of real or personal property for a public purpose prior to public announcement of the project[.]" Gov't Code § 552.105(1). Section 552.105 is designed to protect a governmental body's planning and negotiating position with respect to particular transactions. Open Records Decision Nos. 564 at 2 (1990), 357 (1982), 310 (1982). Information excepted from disclosure under section 552.105 that pertains to such

¹We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. See Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

negotiations may be excepted from disclosure so long as the transaction relating to that information is not complete. *See* ORD 310. A governmental body may withhold information “which, if released, would impair or tend to impair [its] ‘planning and negotiating position in regard to particular transactions.’” ORD 357 at 3 (quoting Open Records Decision No. 222 (1979)). The question of whether specific information, if publicly released, would impair a governmental body’s planning and negotiating position with regard to particular transactions is a question of fact. Accordingly, this office will accept a governmental body’s good-faith determination in this regard, unless the contrary is clearly shown as a matter of law. *See* ORD 564.

You state the department has made a good-faith determination the information in Exhibit B relates to the location of real property the department intends to purchase and would affect the prices of parcels the department has yet to purchase. You explain the department still needs to purchase property in the area at issue, and release of this information would harm the department’s negotiating position with respect to the acquisition of the property. Based on your representations and our review, we conclude the department may withhold Exhibit B under section 552.105 of the Government Code.²

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
