

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

June 27, 2016

Ms. Jordan M. Powell
Assistant District Attorney
Caldwell County Criminal District Attorney's Office
1703 South Colorado Street, Box 5
Lockhart, Texas 78644

OR2016-14512

Dear Ms. Powell:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 616136 (Ref. No. 2016-020).

Caldwell County (the "county") received a request for all records pertaining to the suspension of a named sergeant. You claim the submitted information is excepted from disclosure under sections 552.101, 552.102, 552.103, 552.108, and 552.111 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.103 of the Government Code provides, in relevant part:

(a) Information is excepted from [required public disclosure] if it is information relating to litigation of a civil or criminal nature to which the state or a political subdivision is or may be a party or to which an officer or employee of the state or a political subdivision, as a consequence of the person's office or employment, is or may be a party.

...

(c) Information relating to litigation involving a governmental body or an officer or employee of a governmental body is excepted from disclosure

under Subsection (a) only if the litigation is pending or reasonably anticipated on the date that the requestor applies to the officer for public information for access to or duplication of the information.

Gov't Code § 552.103(a), (c). The county has the burden of providing relevant facts and documents to show that the section 552.103(a) exception is applicable in a particular situation. The test for meeting this burden is a showing that (1) litigation is pending or reasonably anticipated, and (2) the information at issue is related to that litigation. *University of Tex. Law Sch. v. Texas Legal Found.*, 958 S.W.2d 479, 481 (Tex. App.—Austin 1997, orig. proceeding); *Heard v. Houston Post Co.*, 684 S.W.2d 210, 212 (Tex. App.—Houston [1st Dist.] 1984, writ ref'd n.r.e.); Open Records Decision No. 551 at 4 (1990). The governmental body must meet both prongs of this test for information to be excepted under section 552.103(a).

You state, and submit documentation showing, prior to the date of the instant request, a lawsuit styled *Faulkenberry v. Caldwell County, et. al.*, Cause No. 1:15-cv-01089, was filed in the United States District Court for the Western District of Texas. You further state the submitted information relates to the pending litigation. Based on these representations, we find litigation was pending when the county received the request for information, and the information at issue is related to the pending litigation. Therefore, the county may withhold the submitted information under section 552.103(a) of the Government Code.¹

Generally, however, once information has been obtained by all parties to the litigation through discovery or otherwise, no section 552.103(a) interest exists with respect to that information. Open Records Decision Nos. 349 (1982), 320 (1982). Thus, information that has either been obtained from or provided to the opposing party in the pending litigation is not excepted from disclosure under section 552.103(a), and it must be disclosed. Further, the applicability of section 552.103(a) ends once the litigation has concluded. Attorney General Opinion MW-575 (1982); Open Records Decision No. 350 (1982).

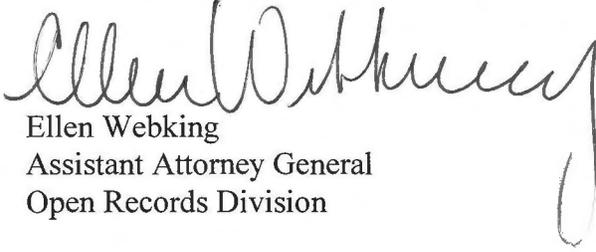

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
