OR2016-14684A

Dear Mr. Meitler:

This office issued Open Records Letter No. 2016-14684 (2016) on June 28, 2016. We have examined this ruling and determined that an error was made in its issuance. When this office determines that an error was made in the decision process under sections 552.301 and 552.306 of the Government Code, and that error resulted in an incorrect decision, we will correct the previously issued ruling. Consequently, this decision serves as the corrected ruling and is a substitute for the decision issued on June 28, 2016. *See generally* Gov't Code § 552.011 (providing that Office of Attorney General may issue decision to maintain uniformity in application, operation, and interpretation of Public Information Act ("Act")).

The Texas Education Agency (the "agency") received a request for information pertaining to a possible investment of the agency discussed during a specified agency meeting. You claim the submitted information is excepted from disclosure under section 552.143 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note some of the submitted information may be subject to section 552.0225 of the Government Code. Section 552.0225(b) provides as follows:

The following categories of information held by a governmental body relating to its investments are public information and not excepted from disclosure under [the Act]:

- (1) the name of any fund or investment entity the governmental body is or has invested in;

(15) any annual ethics disclosure report submitted to the governmental body by a fund or investment entity the governmental body is or has invested in; and

(16) the cash-on-cash return realized by the governmental body for a fund or investment entity the governmental body is or has invested in.

Gov't Code § 552.0225(b). You argue the submitted information is excepted from disclosure under section 552.143 of the Government Code. However, the exceptions to disclosure found in the Act, including section 552.143, do not apply to information made public by section 552.0225. *See* Open Records Decision Nos. 623 at 3 (1994), 525 at 3 (1989). Therefore, the agency must release the types of information enumerated in section 552.0225(b) of the Government Code.

Section 552.143 of the Government Code provides, in part, the following:

(a) All information prepared or provided by a private investment fund and held by a governmental body that is not listed in Section 552.0225(b) is confidential and excepted from the requirements of Section 552.021.

(b) Unless the information has been publicly released, pre-investment and post-investment diligence information, including reviews and analyses, prepared for or maintained by a governmental body or a private investment fund is confidential and excepted from the requirements of Section 552.021, except to the extent it is subject to disclosure under Subsection (c).

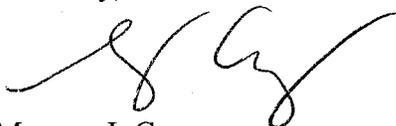

(c) All information regarding a governmental body's direct purchase, holding, or disposal of restricted securities that is not listed in Section 552.0225(b)(2)-(9), (11), (13)-(16) is confidential and excepted from the requirements of Section 552.021. This subsection does not apply to a governmental body's purchase, holding, or disposal of, restricted securities for the purpose of reinvestment nor does it apply to a private investment fund's investment in restricted securities.

Gov't Code § 552.143(a)-(c). You state the information at issue was prepared and provided by a private investment fund. You further state the information at issue constitutes pre-investment due diligence information and has not been released to the public. Based on these representations and our review, we find, with the exception of information the agency must release pursuant to section 552.0225(b) of the Government Code, the agency must withhold the submitted information under section 552.143(b) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
