ATTORNEY GENERAL OF TEXAS

July 5, 2016

Ms. Linda Hight
Records Coordinator
City of Cleburne
P.O. Box 677
Cleburne, Texas 76033

OR2016-15173

Dear Ms. Hight:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 623039.

The City of Cleburne (the "city") received a request for information pertaining to a specified incident.¹ You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note the submitted information includes city police officers' body worn camera recordings. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661(a) provides:

A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

¹You state the city sought and received clarification of the request. *See* Gov't Code § 552.222(b) (providing that if request for information is unclear, governmental body may ask requestor to clarify request); *see also City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (holding that when governmental entity, acting in good faith, requests clarification or narrowing of unclear or overbroad request for public information, ten-day period to request attorney general ruling is measured from date request is clarified or narrowed).

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor does not give the requisite information under section 1701.661(a). As the requestor did not properly request the body worn camera recordings at issue pursuant to chapter 1701, our ruling does not reach this information and it need not be released.² However, pursuant to section 1701.661(b), a “failure to provide all the information required by Subsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* § 1701.661(b).

Section 552.101 of the Government Code exempts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. Section 552.101 encompasses section 58.007 of the Family Code, which makes confidential juvenile law enforcement records relating to conduct by a child that occurred on or after September 1, 1997. Fam. Code § 58.007(c). The relevant portion of section 58.007 provides:

(c) Except as provided by Subsection (d), law enforcement records and files concerning a child and information stored, by electronic means or otherwise, concerning the child from which a record or file could be generated may not be disclosed to the public and shall be:

- (1) if maintained on paper or microfilm, kept separate from adult files and records;
- (2) if maintained electronically in the same computer system as records or files relating to adults, be accessible under controls that are separate and distinct from controls to access electronic data concerning adults; and
- (3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subchapters B, D, and E.

Id. § 58.007(c). *See also id.* § 51.02(2) (defining “child” as a person who is ten years of age or older and younger than seventeen years of age at the time of the reported conduct). Upon review, we find the remaining information involves delinquent conduct by a child that

²As we reach this determination, we need not address your argument against disclosure of this information.

occurred after September 1, 1997. *See id.* § 51.03 (defining “delinquent conduct” for purposes of section 58.007). Further, it does not appear that any of the exceptions in section 58.007 apply. Therefore, the remaining information is confidential under section 58.007(c) of the Family Code and the city must withhold it under section 552.101 of the Government Code.

In summary, as the requestor did not properly request the body worn camera recordings at issue pursuant to chapter 1701 of the Occupations Code, our ruling does not reach this information, and the city need not release the submitted body camera recordings at issue in response to this request for information. The city must withhold the remaining information under section 552.101 of the Government Code in conjunction with section 58.007 of the Family Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
