

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

July 5, 2016

Ms. Stephanie Berry
Assistant City Attorney
City of Denton
215 East McKinney
Denton, Texas 76201

OR2016-15253

Dear Ms. Berry:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 617066.

The City of Denton (the "city") received a request for information regarding four specified incidents.¹ You state the city does not have information responsive to a portion of the request.² You claim the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the submitted arguments and reviewed the submitted information.

¹We note the city sought and received clarification of the information requested. *See* Gov't Code § 552.222 (providing if request for information is unclear, governmental body may ask requestor to clarify request); *see also* *City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (holding that when a governmental entity, acting in good faith, requests clarification or narrowing of an unclear or over-broad request for public information, the ten-day period to request an attorney general ruling is measured from the date the request is clarified or narrowed).

²The Act does not require a governmental body to release information that did not exist when a request for information was received or to prepare new information in response to a request. *See Econ. Opportunities Dev. Corp. v. Bustamante*, 562 S.W.2d 266, 267-68 (Tex. Civ. App.—San Antonio 1978, writ dismissed); Open Records Decision Nos. 605 at 2 (1992), 452 at 3 (1986), 362 at 2 (1983).

Initially, you state some of the requested information was the subject of a previous request for information, as a result of which this office issued Open Records Letter No. 2014-05559 (2014). In Open Records Letter No. 2014-05559, we concluded, with the exception of basic information, the city may withhold the information at issue under section 552.108(a)(2) of the Government Code. There is no indication the law, facts, and circumstances on which the prior ruling was based have changed. Accordingly, for the requested information that is identical to the information previously requested and ruled upon by this office, we conclude the city may continue to rely on Open Records Letter No. 2014-05559 as a previous determination and withhold or release the identical information in accordance with that ruling. *See* Open Records Decision No. 673 (2001) (so long as law, facts, and circumstances on which prior ruling was based have not changed, first type of previous determination exists where requested information is precisely same information as was addressed in prior attorney general ruling, ruling is addressed to same governmental body, and ruling concludes information is or is not excepted from disclosure). However, we will address the public availability of the remaining information, which was not at issue in the previous ruling.

Section 552.108(a)(2) of the Government Code excepts from disclosure information dealing with the detection, investigation, or prosecution of crime only in relation to an investigation that concluded in a result other than conviction or deferred adjudication. Gov't Code § 552.108(a)(2). A governmental body claiming section 552.108(a)(2) must demonstrate the requested information relates to a criminal investigation that concluded in a final result other than a conviction or deferred adjudication. *See id.* § 552.301(e) (governmental body must provide comments explaining why exceptions raised should apply to information requested). The city states the submitted information relates to concluded cases that did not result in a conviction or deferred adjudication. Based on the city's representation, we conclude section 552.108(a)(2) is applicable to the information at issue.

Section 552.108, however, does not except from disclosure basic information about an arrested person, an arrest, or a crime. *Id.* § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). *See* Open Records Decision No. 127 (1976) (summarizing types of information made public by *Houston Chronicle*). We note basic information does not include dates of birth. *See* ORD 127 at 3-4. Thus, with the exception of basic information, which must be released, the city may withhold the submitted information under section 552.108(a)(2) of the Government Code.

In summary, for the requested information that is identical to the information previously requested and ruled upon by this office, we conclude the city may continue to rely on Open Records Letter No. 2014-05559 as a previous determination and withhold or release the identical information in accordance with that ruling. With the exception of basic information, which must be released, the city may withhold the submitted information under section 552.108(a)(2) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Sincerely,
