Dear Mr. Pittman:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 617983.

The City of Frisco (the "city"), which you represent, received two requests from different requestors for information pertaining to request for proposals number 1601-044. You claim the submitted information is excepted from disclosure under section 552.110 of the Government Code. Additionally, you state release of the submitted information may implicate the proprietary interests of IntelliCorp. Accordingly, you state, and provide documentation showing, you notified IntelliCorp of the request for information and of its right to submit arguments to this office as to why the submitted information should not be released. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have considered the submitted argument and reviewed the submitted information.

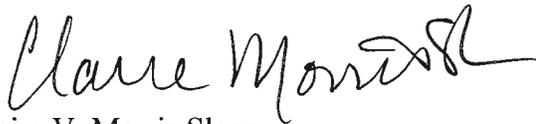

You argue the submitted information is excepted from disclosure under section 552.110 of the Government Code. Section 552.110 protects (1) trade secrets obtained from a person and (2) commercial or financial information the disclosure of which would cause substantial competitive harm to the person from whom the information was obtained. *See* Gov't Code § 552.110(a)-(b). We note section 552.110 protects the interests of private parties that provide information to governmental bodies, not the interests of governmental bodies themselves. *See generally* Open Records Decision No. 592 (1991). Accordingly, we do not consider the city's arguments under section 552.110.

An interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) to submit its reasons, if any, as to why information relating to that party should be withheld from public disclosure. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this letter, we have not received comments from IntelliCorp explaining why the submitted information should not be released. Therefore, we have no basis to conclude IntelliCorp has a protected proprietary interest in the submitted information. *See id.* § 552.110; Open Records Decision Nos. 661 at 5-6 (1999) (to prevent disclosure of commercial or financial information, party must show by specific factual evidence, not conclusory or generalized allegations, that release of requested information would cause that party substantial competitive harm), 552 at 5 (1990) (party must establish *prima facie* case that information is trade secret), 542 at 3. Accordingly, the city may not withhold the submitted information on the basis of any proprietary interest IntelliCorp may have in the information. Thus, the city must release the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
