Ms. Captoria Brown

Office of the City Attorney  
City of Carrollton

Carrollton, Texas 75006

OR2016-15580

Dear Ms. Brown:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 618691 (City ID #7435).

The City of Carrollton (the "city") received a request for a specified video recording made during the arrest of the requestor's client. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Article 2.139 of the Code of Criminal Procedure, as added by House Bill 3791 by the 84th Texas Legislature,<sup>1</sup> provides:

A person stopped or arrested on suspicion of an offense under Section 49.04, 49.045, 49.07, or 49.08, Penal Code, is entitled to receive from a law enforcement agency employing the peace officer who made the stop or arrest a copy of any video made by or at the direction of the officer that contains footage of:

(1) the stop;

---

<sup>1</sup>Act of May 30, 2015, 84th Leg., R.S., ch. 1124, § 1 (codified at Crim. Proc. Code art. 2.139).

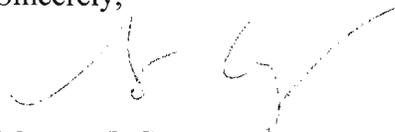

- (2) the arrest;
- (3) the conduct of the person stopped during any interaction with the officer, including during the administration of a field sobriety test; or
- (4) a procedure in which a specimen of the person's breath or blood is taken.

Crim. Proc. Code art. 2.139. The submitted information consists of video recordings made by or at the direction of officers employed by the city's police department that contain footage of the requestor's client being stopped or arrested on suspicion of an offense under section 49.04 of the Penal Code. *See* Penal Code § 49.04 ("A person commits an offense if the person is intoxicated while operating a motor vehicle in a public place."). Therefore, the requestor is entitled to receive a copy of this video recording pursuant to article 2.139 of the Code of Criminal Procedure. Although the city asserts section 552.108 of the Government Code to withhold this information, a statutory right of access prevails over the Act's general exceptions to public disclosure. *See, e.g.,* Open Records Decision Nos. 613 at 4 (1993) (exceptions in Act cannot impinge on statutory right of access to information), 451 (1986) (specific statutory right of access provisions overcome general exception to disclosure under the Act). Because section 552.108 is a general exception under the Act, the requestor's statutory right of access under article 2.139 prevails and the city may not withhold the video at issue under section 552.108 of the Government Code. As no further exceptions to disclosure have been raised, the city must release the submitted information to the requestor.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
