Dear Mr. Narvaez:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 618445 (CoM ID No. P000670-050516).

The McKinney Police Department (the "department"), which you represent, received a request for a specified offense report. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes, such as section 58.007 of the Family Code. Section 58.007 makes confidential juvenile law enforcement records relating to conduct that occurred on or after September 1, 1997. The relevant language of section 58.007 reads as follows:

(c) Except as provided by Subsection (d), law enforcement records and files concerning a child and information stored, by electronic means or otherwise, concerning the child from which a record or file could be generated may not be disclosed to the public and shall be:

(1) if maintained on paper or microfilm, kept separate from adult files and records;

(2) if maintained electronically in the same computer system as records or files relating to adults, be accessible under controls that are

separate and distinct from controls to access electronic data concerning adults; and

(3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subchapters B, D, and E.

...

(e) Law enforcement records and files concerning a child may be inspected or copied by a juvenile justice agency as that term is defined by Section 58.101, a criminal justice agency as that term is defined by Section 411.082, Government Code, the child, and the child's parent or guardian.

Fam. Code § 58.007(c), (e). For purposes of section 58.007(c), "child" means a person who is ten years of age or older and under seventeen years of age at the time of the reported conduct. *See id.* § 51.02(2). The information at issue involves juvenile delinquent conduct or conduct indicating a need for supervision that occurred after September 1, 1997. *See id.* § 51.03 (defining "delinquent conduct" and "conduct indicating a need for supervision" for purposes of Fam. Code § 58.007). Thus, this information is generally confidential under section 58.007(c).

We note the requestor is a representative of the United States Department of Justice Bureau of Alcohol, Tobacco, Firearms and Explosives (the "ATF"). Section 58.007(e) of the Family Code gives a "criminal justice agency as . . . defined by Section 411.082, Government Code" a right of access to juvenile law enforcement records. *Id.* § 58.007(e). Section 411.082 of the Government Code defines a "criminal justice agency" as including "a federal or state agency that is engaged in the administration of criminal justice under a statute or executive order and that allocates a substantial portion of its annual budget to the administration of criminal justice[.]" Gov't Code § 411.082(3)(A). We understand the ATF is a criminal justice agency as defined by section 411.082. *See id.* Therefore, the requestor has a right of access to the submitted information under section 58.007(e) of the Family Code, and the department may not withhold the submitted information from this requestor under section 552.101 of the Government Code in conjunction with section 58.007(c) of the Family Code. Accordingly, the department must generally release the submitted information to this requestor pursuant to section 58.007(e) of the Family Code.

We note, however, the submitted information includes motor vehicle record information subject to section 552.130 of the Government Code. Section 552.130 provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See Gov't Code* § 552.130(a). Accordingly, the motor vehicle record information we marked is generally excepted from disclosure under section 552.130 of the Government Code.

However, as previously noted, the requestor has a statutory right to inspect the submitted information. Therefore, we must address the conflict between the access provided under section 58.007(e) of the Family Code and the confidentiality provided under section 552.130 of the Government Code. Where information falls within both a general and a specific provision of law, the specific provision prevails over the general. *See Horizon/CMS Healthcare Corp. v. Auld*, 34 S.W.3d 887, 901 (Tex. 2000) (“more specific statute controls over the more general”); *Cuellar v. State*, 521 S.W.2d 277 (Tex. Crim. App. 1975) (under well-established rule of statutory construction, specific statutory provisions prevail over general ones). In this instance, section 58.007(e) generally applies to all juvenile law enforcement records, while section 552.130 specifically protects motor vehicle record information. Although a specific statutory right of access prevails over general exceptions to disclosure under the Act, because section 552.130 has its own access provisions, we conclude section 552.130 is more specific than the general right of access provided by section 58.007(e). Accordingly, in releasing the submitted information, the department must withhold the motor vehicle record information we have marked under section 552.130 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
