Ms. Jo Ann Pate
Assistant City Attorney
City of Fort Worth
1000 Throckmorton Street, 3rd Floor
Fort Worth, Texas 76102

OR2016-15794

Dear Ms. Pate:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 624543 (COFW PIR No. W052650).

The City of Fort Worth (the "city") received a request for information pertaining to a specified property. You claim some of the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes. Section 182.052 of the Utilities Code provides, in relevant part:

(a) Except as provided by Section 182.054, a government-operated utility may not disclose personal information in a customer's account record, or any information relating to the volume or units of utility usage or the amounts billed to or collected from the individual for utility usage, if the customer requests that the government-operated utility keep the information confidential. However, a government-operated utility may disclose information related to the customer's volume or units of utility usage or

amounts billed to or collected from the individual for utility usage if the primary source of water for such utility was a sole-source designated aquifer.

(b) A customer may request confidentiality by delivering to the government-operated utility an appropriately marked form provided under Subsection (c)(3) or any other written request for confidentiality.

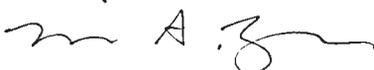

Util. Code § 182.052(a)-(b). “Personal information” under section 182.052(a) means an individual’s address, telephone number, or social security number, but does not include the individual’s name. *See id.* § 182.051(4); *see also* Open Records Decision No. 625 (1994) (construing statutory predecessor). Water, wastewater, garbage, and electricity services are included in the scope of utility services covered by section 182.052. Util. Code §182.051(3).

You state the information you have marked consists of the personal information, utility usage, and billing data of a customer who timely requested confidentiality under section 182.052. You do not indicate any of the exceptions to confidentiality under section 182.054 apply in this instance. We understand the primary source of water for the city’s utility services is not a sole-source designated aquifer. Based on your representations and our review, we find the city must withhold the information you have marked under section 552.101 of the Government Code in conjunction with section 182.052 of the Utilities Code. The city must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
