

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

July 14, 2016

Mr. Matthew Ribitzki
Deputy City Attorney
City of Burleson
141 West Renfro
Burleson, Texas 76028

OR2016-15905

Dear Mr. Ribitzki:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 620648 (ORR No. 850/16-0327).

The Burleson Police Department (the "department") received a request for information pertaining to a specified incident involving the requestor. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note the submitted information includes information concerning the requestor's blood test results. Section 724.018 of the Transportation Code provides, on the request of the person who has given a specimen at the request of a peace officer, full information concerning the analysis of the specimen must be made available to that person or the person's attorney. Transp. Code § 724.018. In this instance, the requestor is the person who provided the blood specimen at the request of a peace officer. Although you raise section 552.108 of the Government Code for the information at issue, a specific right of access provision prevails over the Act's general exceptions to disclosure. *See* Open Records Decision No. 451 at 4 (1986) (specific statutory right of access provisions overcome general exceptions to disclosure under statutory predecessor to Act). Thus, the information we marked may not be withheld under section 552.108 of the Government Code, and must be released to the requestor pursuant to section 724.018 of the Transportation Code.

Next, we note the remaining information includes court-filed documents subject to section 552.022 of the Government Code. Section 552.022(a)(17) provides for the required public disclosure of “information that is also contained in a public court record” unless it is “made confidential under [the Act] or other law[.]” Gov’t Code § 552.022(a)(17). Although you raise section 552.108 of the Government Code, section 552.108 is a discretionary exception and does not make information confidential under the Act. *See* Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 663 at 5 (1999) (waiver of discretionary exceptions), 177 at 3 (1977) (statutory predecessor to section 552.108 subject to waiver). As such, section 552.108 does not make information confidential for the purposes of section 552.022(a)(17). Therefore, the court-filed documents we marked may not be withheld under section 552.108. However, we will address the applicability of section 552.108 to the remaining information.

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime [if] release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the remaining information relates to an active investigation. Generally, the release of information pertaining to an open case is presumed to interfere with the criminal investigation. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976) (court delineates law enforcement interests that are present in active cases). We note, however, the information at issue includes a DIC-24 Statutory Warning and a DIC-25 Notice of Suspension. The Statutory Warning and Notice of Suspension have previously been provided to the arrestee. Because copies of these documents have previously been released to the arrestee, we find you have not shown release of these documents will interfere with the detection, investigation, or prosecution of crime, and these documents may not be withheld under section 552.108(a)(1). *See* Gov’t Code § 552.108(a)(1). Based on your representation, however, we conclude release of the remaining information at issue would interfere with the detection, investigation, or prosecution of crime. Thus, we find section 552.108(a)(1) is applicable to the remaining information at issue.

However, we note, and you acknowledge, section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. *Id.* § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-88; Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Thus, with the exception of the marked Statutory Warning and Notice of Suspension and the basic information, the department may withhold the remaining information at issue under section 552.108(a)(1) of the Government Code.

In summary, the department must release the court-filed documents we marked pursuant to section 552.022(a)(17) of the Government Code and the information concerning the analysis of the blood specimen we marked pursuant to section 724.018 of the Transportation Code. With the exception of the Statutory Warning and Notice of Suspension and basic information, the department may withhold the remaining information under section 552.108(a)(1) of the Government Code.¹

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
