Ms. Michelle Buendia
Assistant City Attorney
City of Dallas

OR2016-15908

Dear Ms. Buendia:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 621126 (ORR# 2016-11170).

The Dallas Police Department (the "department") received a request for information pertaining to a specified incident. You claim portions of the submitted information are excepted from disclosure under sections 552.101, 552.108, and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted representative sample of information.¹

We note the submitted information includes a CR-3 accident report form. Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information subject to chapter 550 of the Transportation Code. Section 550.065 applies only to a written report of an accident required under section 550.061, 550.062, or 601.004. Transp. Code § 550.065(a)(1). Chapter 550 requires

¹ We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

the creation of a written report when the accident resulted in injury to or the death of a person or damage to the property of any person to the apparent extent of \$1,000 or more. *Id.* §§ 550.061 (operator's accident report), .062 (officer's accident report). An accident report is privileged and for the confidential use of the Texas Department of Transportation or a local governmental agency of Texas that has use for the information for accident prevention purposes. *Id.* § 550.065(b). However, a governmental entity may release an accident report in accordance with subsections (c) and (c-1). *Id.* § 550.065(c), (c-1). Section 550.065(c) provides a governmental entity shall release an accident report to a person or entity listed under this subsection. *Id.* § 550.065(c).

Here, the requestor is a person listed under section 550.065(c). Although the department asserts section 552.108 to withhold the information, a statutory right of access prevails over the Act's general exceptions to public disclosure. *See, e.g.*, Open Records Decision Nos. 613 at 4 (1993) (exceptions in Act cannot impinge on statutory right of access to information), 451 (1986) (specific statutory right of access provisions overcome general exception to disclosure under the Act). Because section 552.108 is a general exception under the Act, the requestor's statutory access under section 550.065(c) prevails, and the department may not withhold the CR-3 accident report form under section 552.108 of the Government Code. Thus, the department must release the accident report to the requestor pursuant to section 550.065(c) of the Transportation Code.

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the submitted information pertains to the pending investigation of a criminal case. Based on your representation, we conclude the release of the remaining information you marked would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Therefore, we agree section 552.108(a)(1) is applicable to the remaining information you marked. Accordingly, the department may withhold the remaining information you marked pursuant to section 552.108(a)(1) of the Government Code.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130. Accordingly, the department must

withhold the license plate number you marked under section 552.130 of the Government Code.

In summary, the department must release the CR-3 accident report to the requestor pursuant to section 550.065(c) of the Transportation Code. The department may withhold the remaining information you marked under section 552.108(a)(1) of the Government Code. The department must withhold the information you marked under section 552.130 of the Government Code. The remaining information must be released.
