Mr. John P. Beauchamp
General Counsel
Texas Commission on Law Enforcement
6330 East Highway 290, Suite 200
Austin, Texas 78723-1035

OR2016-16071

Dear Mr. Beauchamp:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 618785.

The Texas Commission on Law Enforcement (the "commission") received a request for four categories of information pertaining to a named officer, including (1) a personal status report; (2) a report of training certificates; (3) a length of service report; and (4) F-5 separation reports. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note you have not submitted information responsive to categories one through three of the request for information. To the extent any information responsive to these portions of the request existed on the date the commission received the request, we assume the commission has released it. If the commission has not released any such information, it must do so at this time. *See* Gov't Code §§ 552.301(a), .302; *see also* Open Records Decision No. 664 (2000) (if governmental body concludes no exceptions apply to requested information, it must release information as soon as possible).

Section 552.101 of the Government Code excepts "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses section 1701.454 of the Occupations Code, which governs the public availability of information submitted to the commission under subchapter J of chapter 1701 of the Occupations Code. Section 1701.454 provides as follows:

(a) All information submitted to the commission under this subchapter is confidential and is not subject to disclosure under Chapter 552, Government Code, unless the person resigned or was terminated due to substantiated incidents of excessive force or violations of the law other than traffic offenses.

(b) Except as provided by this subchapter, a commission member or other person may not release information submitted under this subchapter.

Occ. Code § 1701.454. The submitted information consists of information that was submitted to the commission pursuant to subchapter J of chapter 1701 of the Occupations Code. Furthermore, the information at issue does not indicate the named officer resigned or was terminated due to substantiated incidents of excessive force or violations of the law other than traffic offenses. Therefore, the commission must withhold the submitted information under section 552.101 in conjunction with section 1701.454 of the Occupations Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
