OR2016-16198

Dear Ms. Nicholson:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 619076 (ORR# 26184).

The City of Austin (the "city") received a request for food safety inspections for fourteen locations of a specified restaurant. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information other statutes make confidential, such as section 81.046(b) of the Health and Safety Code, which provides:

(b) Reports, records, and information relating to cases or suspected cases of diseases or health conditions are not public information under [the Act], and may not be released or made public on subpoena or otherwise except as provided by Subsections (c), (d), and (f).

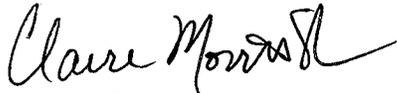

Health & Safety Code § 81.046(b). In Open Records Decision No. 577 (1990), this office concluded any information acquired or created during an investigation under chapter 81 of

the Health & Safety Code is confidential and may not be released unless an exception set out in the statute applies. *See* ORD 577; Health & Safety Code § 81.046(b)-(d), (f). Upon review, we find the submitted information relates to cases or suspected cases of food-borne illness; thus, section 81.046 governs the release of the information at issue. We understand none of the release provisions of section 81.046 are applicable. Accordingly, the city must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 81.046(b) of the Health and Safety Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
