

KEN DAXTON
ATTORNEY GENERAL OF TEXAS

August 3, 2016

Mr. Jorge L. Trevino, Jr.
Assistant County Attorney
Webb County Attorney's Office
1110 Washington Street, Suite 301
Laredo, Texas 78040

OR2016-17465

Dear Mr. Trevino:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 621031.

The County of Webb (the "county") received six requests from five different requestors for information related to a specified bus accident. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. You also state you notified the Texas Department of Public Safety (the "department") of the request for information and of its right to submit arguments to this office as to why the submitted information should not be released. *See* Gov't Code § 552.304 (interested party may submit comments stating why information should or should not be released). We have received comments from the department. We have considered the submitted arguments and reviewed the submitted information.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" *Id.* § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). The county and the department state the submitted information relates to an ongoing criminal investigation by the department, and the department objects to the disclosure of the submitted information because its release

would interfere with the ongoing criminal investigation. Based on these representations, we conclude the release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, section 552.108(a)(1) is applicable to the submitted information.

However, we note section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov't Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-88; Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). In Open Records Decision No. 649 (1996), this office concluded information contained in a computer-aided dispatch (“CAD”) report is substantially the same as basic information. *See* ORD 649 at 3; *see also* Open Records Decision No. 394 at 3 (1983) (there is no qualitative difference between information contained in radio cards or radio logs and front-page offense report information expressly held to be public in *Houston Chronicle*; thus, such information is generally public). Thus, with the exception of the basic information, which must be released, the county may withhold the submitted call sheets under section 552.108(a)(1) of the Government Code on behalf of the department. The county may also withhold the submitted audio and video recordings in their entireties under section 552.108(a)(1) of the Government Code on behalf of the department.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
