Dear Ms. Pemberton:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 627558 (City ID# W019640).

The Killeen Police Department (the "department") received a request for crash reports pertaining to a specified intersection during a specified time period. The department states it is releasing some information. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information subject to chapter 550 of the Transportation Code. Section 550.065 applies only to a written report of an accident required under section 550.061, 550.062, or 601.004. Transp. Code § 550.065(a)(1). Chapter 550 requires the creation of a written report when the accident resulted in injury to or the death of a person or damage to the property of any person to the apparent extent of \$1,000 or more. *Id.* §§ 550.061 (operator's accident report), .062 (officer's accident report). An accident report is privileged and for the confidential use of the Texas Department of Transportation or a local governmental agency of Texas that has use for the information for accident prevention purposes. *Id.* § 550.065(b). However, a governmental entity may release an accident report in accordance with subsections (c) and (c-1). *Id.* § 550.065(c), (c-1). Section 550.065(c) provides a governmental entity shall release an accident report to a person or entity listed under this subsection. *Id.* § 550.065(c).

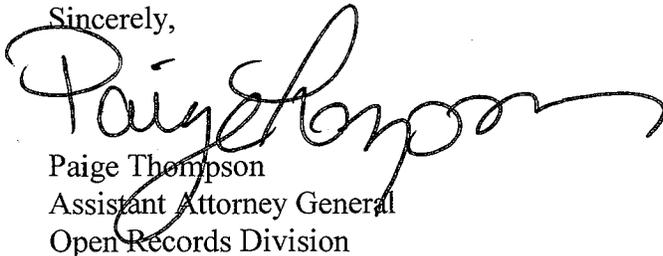

The submitted information includes CR-3 accident report forms. However, the requestor has not established she is a person listed under section 550.065(c). Thus, the submitted accident reports are confidential under section 550.065(b), and the department must withhold them under section 552.101 of the Government Code from the requestor. However, section 550.065(c-1) requires the department to create redacted accident reports that may be requested by any person. *Id.* § 550.065(c-1). The redacted accident reports may not include the information listed in subsection (f)(2). *Id.* Therefore, the requestor has a right of access to the redacted accident reports. Thus, the department must release the redacted accident reports to the requestor pursuant to section 550.065(c-1).

In summary, the submitted accident reports are confidential under section 550.065(b) of the Transportation Code, but the department must release the redacted accident reports to the requestor pursuant to section 550.065(c-1) of the Transportation Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
