Dear Mr. Santee:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 627787.

The City of Copperas Cove (the "city"), which you represent, received a request for information pertaining to a specified incident. You claim the submitted information is excepted from disclosure under sections 552.108 and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.108(a)(2) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . it is information that deals with the detection, investigation, or prosecution of crime only in relation to an investigation that did not result in conviction or deferred adjudication[.]" Gov't Code § 552.108(a)(2). Section 552.108(b)(2) of the Government Code excepts from disclosure the internal records and notations of law enforcement agencies and prosecutors if "the internal record or notation relates to law enforcement only in relation to an investigation that did not result in conviction or deferred adjudication[.]" *Id.* § 552.108(b)(2). Sections 552.108(a)(2) and 552.108(b)(2) are applicable only if the information at issue relates to a concluded criminal case that did not result in a conviction or deferred adjudication.

A governmental body claiming subsections 552.108(a)(2) and 552.108(b)(2) must demonstrate the requested information relates to a criminal investigation that has concluded in a final result other than a conviction or deferred adjudication. *See id.* § 552.108(a)(2),

(b)(2). However, you have not explained the information at issue pertains to a criminal investigation concluded in a final result other than a conviction or deferred adjudication. Therefore, you have failed to demonstrate the applicability of either subsection 552.108(a)(2) or subsection 552.108(b)(2) to the information at issue, and the city may not withhold any of the submitted information on that basis.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130(a). Although you raise section 552.130, the information at issue does not contain any motor vehicle information. Thus, no portion of the submitted information may be withheld under section 552.130 of the Government Code. Therefore, the city must release the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
