Mr. Mike Harper
Professional Standards Administrator
Killeen Independent School District
P.O. Box 967
Killeen, Texas 76540-0967

OR2016-17947

Dear Mr. Harper:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 622282.

The Killeen Independent School District (the "district") received a request for surveillance video recording pertaining to a specified incident.¹ You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code.² We have considered the exception you claim and reviewed the submitted information.

¹We understand the district received clarification of the request for information. *See* Gov't Code § 552.222(b) (stating if information requested is unclear to governmental body or if large amount of information has been requested, governmental body may ask requestor to clarify or narrow request, but may not inquire into purpose for which information will be used); *City of Dallas v. Abbott*, 304 S.W.3d 380 (Tex. 2010) (holding when governmental entity, acting in good faith, requests clarification of unclear or overbroad request for public information, ten-business-day period to request attorney general opinion is measured from date request is clarified or narrowed).

²Although you claim the submitted information is not subject to the Act, you make no arguments to support this assertion. Therefore, we assume you have withdrawn this claim for the submitted information. *See* Gov't Code §§ 552.301, .302.

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. Section 552.101 encompasses sections 418.176 of the Government Code, which was added to chapter 418 of the Government Code as part of the Texas Homeland Security Act (“HSA”). Section 418.182(a) of the Government Code provides in relevant part, “information . . . in the possession of a governmental entity that relates to the specifications, operating procedures, or location of a security system used to protect public or private property from an act of terrorism or related criminal activity is confidential.” *Id.* § 418.182(a). The fact that information may be related to a governmental body’s security system does not make the information *per se* confidential under section 418.182. *See* Open Records Decision No. 649 at 3 (1996) (language of confidentiality provision controls scope of its protection). Furthermore, the mere recitation by a governmental body of a statute’s key terms is not sufficient to demonstrate the applicability of a claimed provision. As with any confidentiality provision, a governmental body asserting section 418.182 must adequately explain how the responsive information falls within the scope of the statute. *See* Gov’t Code § 552.301(e)(1)(A) (governmental body must explain how claimed exception to disclosure applies).

The submitted information consists of surveillance video recordings from a district school. You state the disclosure of this information would reveal the location of this security surveillance camera. You further state this camera is part of a security system used to protect public property from acts of terrorism or other criminal activity. Upon review, we find the submitted video recordings relate to the specifications, operating procedures, or location of a security system used to protect public or private property from an act of terrorism or related criminal activity. *See Tex. Dep’t of Pub. Safety v. Abbott*, 310 S.W.3d 670 (Tex. App.—Austin 2010, no pet.) (finding confidential under section 418.182 of the HSA video recording containing images recorded by security cameras in Texas Capitol hallway because specifications of security system included cameras’ capabilities and video recording demonstrated those capabilities through characteristics, quality, and clarity of images recorded). Accordingly, the district must withhold the submitted video recordings under section 552.101 of the Government Code in conjunction with section 418.182(a) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
