ATTORNEY GENERAL OF TEXAS

August 10, 2016

Mr. Joseph R. Crawford  
Assistant City Attorney  
City of Houston  
P.O. Box 368  
Houston, Texas 77001-0368

OR2016-17952

Dear Mr. Crawford:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 622272 (GC No. 23405).

The City of Houston (the "city") received a request for nine categories of information pertaining to a named individual or a specified taxi.<sup>1</sup> You indicate you have released some information to the requestor. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information made confidential by statute, such as the Medical Practice Act ("MPA"), subtitle B of title 3 of the Occupations Code,

<sup>1</sup>You state the city sought and received clarification of the request for information. See Gov't Code § 552.222(b) (stating if information requested is unclear to governmental body or if large amount of information has been requested, governmental body may ask requestor to clarify or narrow request, but may not inquire into purpose for which information will be used); *City of Dallas v. Abbott*, 304 S.W.3d 380 (Tex. 2010) (holding when governmental entity, acting in good faith, requests clarification of unclear or overbroad request for public information, ten-business-day period to request attorney general opinion is measured from date request is clarified or narrowed).

which governs release of medical records. Section 159.002 of the MPA provides, in relevant part:

(a) A communication between a physician and a patient, relative to or in connection with any professional services as a physician to the patient, is confidential and privileged and may not be disclosed except as provided by this chapter.

(b) A record of the identity, diagnosis, evaluation, or treatment of a patient by a physician that is created or maintained by a physician is confidential and privileged and may not be disclosed except as provided by this chapter.

(c) A person who receives information from a confidential communication or record as described by this chapter, other than a person listed in Section 159.004 who is acting on the patient's behalf, may not disclose the information except to the extent that disclosure is consistent with the authorized purposes for which the information was first obtained.

Occ. Code § 159.002(a)-(c). Information subject to the MPA includes both medical records and information obtained from those medical records. *See id.* §§ 159.002, .004. This office has concluded the protection afforded by section 159.002 extends only to records created by either a physician or someone under the supervision of a physician. *See Open Records Decision Nos. 487 (1987), 370 (1983), 343 (1982).* Upon review, we find the information we have marked constitutes a record of the identity, diagnosis, evaluation, or treatment of a patient by a physician that was created or is maintained by a physician. Accordingly, the city must withhold the information we have marked under section 552.101 of the Government Code in conjunction with the MPA. However, some of the remaining information consists of drug test results of the named individual. Section 159.001 of the MPA defines a "patient" as "a person who, to receive medical care, consults with or is seen by a physician." Occ. Code § 159.001(3). Because the named individual did not receive medical care in the administration of the drug test, this individual is not a patient for purposes of section 159.002. We further find none of the remaining information constitutes a medical record subject to the MPA. Accordingly, the city may not withhold any of the remaining information under section 552.101 on that basis.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release.<sup>2</sup> *See Gov't Code § 552.130.* Accordingly, the city must

<sup>2</sup>The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. *See Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).*

withhold the motor vehicle record information we have marked under section 552.130 of the Government Code.

In summary, the city must withhold the information we have marked under section 552.101 of the Government Code in conjunction with the MPA. The city must withhold the motor vehicle record information we have marked under section 552.130 of the Government Code. The city must release the remaining information.<sup>3</sup>
