

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

August 10, 2016

Mr. Arnold Polanco
City Attorney
City of Friendswood
910 South Friendswood Drive
Friendswood, Texas 77546-4856

OR2016-18007

Dear Mr. Polanco:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 622816 (City Ref. No. W006037-052416).

The City of Friendswood (the "city") received a request for "all underlying records used by the city to calculate and assess the Sales Tax revenue identified in the CAFR" during a specified period of time and specified correspondence.¹ You state the city has released some of the requested information. You claim the submitted information is excepted from disclosure under sections 552.106 and 552.111 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note some of the submitted information is subject to section 552.022 of the Government Code. Section 552.022(a) provides, in relevant part:

(a) [T]he following categories of information are public information and not excepted from required disclosure under this chapter unless made confidential under this chapter or other law:

...

¹You state the city sought and received clarification of the information requested. See Gov't Code § 552.222(b) (providing if request for information is unclear, governmental body may ask requestor to clarify request); see also *City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (holding that when a governmental entity, acting in good faith, requests clarification or narrowing of an unclear or overbroad request for information, the ten-day period to request an attorney general ruling is measured from the date the request is clarified or narrowed).

(5) all working papers, research material, and information used to estimate the need for or expenditure of public funds or taxes by a governmental body, on completion of the estimate[.]

Gov't Code § 552.022(a)(5). We find the information in Exhibit A consists of budget information that constitutes information from a completed estimate used to estimate the need for or expenditure of public funds or taxes and is subject to section 552.022(a)(5) of the Government Code. Although you seek to withhold this information under section 552.106 of the Government Code, this is a discretionary exception and does not make information confidential under the Act. *See* Open Records Decision No. 665 at 2 n.5 (2000) (discretionary exceptions generally). Therefore, the information in Exhibit A may be not withheld under section 552.106 of the Government Code. As you raise no other exceptions to disclosure for this information, the city must release this information.

Section 552.111 of the Government Code excepts from disclosure “[a]n interagency or intraagency memorandum or letter that would not be available by law to a party in litigation with the agency[.]” Gov't Code § 552.111. This exception encompasses the deliberative process privilege. *See* Open Records Decision No. 615 at 2 (1993). The purpose of section 552.111 is to protect advice, opinion, and recommendation in the decisional process and to encourage open and frank discussion in the deliberative process. *See Austin v. City of San Antonio*, 630 S.W.2d 391, 394 (Tex. App.—San Antonio 1982, writ ref'd n.r.e.); Open Records Decision No. 538 at 1-2 (1990).

In Open Records Decision No. 615, this office re-examined the statutory predecessor to section 552.111 in light of the decision in *Texas Department of Public Safety v. Gilbreath*, 842 S.W.2d 408 (Tex. App.—Austin 1992, no writ). We determined section 552.111 excepts from disclosure only those internal communications that consist of advice, recommendations, opinions, and other material reflecting the policymaking processes of the governmental body. *See* ORD 615 at 5. A governmental body's policymaking functions do not encompass routine internal administrative or personnel matters, and disclosure of information about such matters will not inhibit free discussion of policy issues among agency personnel. *Id.*; *see also City of Garland v. Dallas Morning News*, 22 S.W.3d 351 (Tex. 2000) (section 552.111 not applicable to personnel-related communications that did not involve policymaking). A governmental body's policymaking functions do include administrative and personnel matters of broad scope that affect the governmental body's policy mission. *See* Open Records Decision No. 631 at 3 (1995).

Further, section 552.111 does not protect facts and written observations of facts and events that are severable from advice, opinions, and recommendations. *Arlington Indep. Sch. Dist. v. Tex. Attorney Gen.*, 37 S.W.3d 152 (Tex. App.—Austin 2001, no pet.); *see* ORD 615 at 5. But if factual information is so inextricably intertwined with material involving advice, opinion, or recommendation as to make severance of the factual data impractical, the factual information also may be withheld under section 552.111. *See* Open Records Decision No. 313 at 3 (1982).

This office has also concluded a preliminary draft of a document that is intended for public release in its final form necessarily represents the drafter's advice, opinion, and recommendation with regard to the form and content of the final document, so as to be excepted from disclosure under section 552.111. *See* Open Records Decision No. 559 at 2 (1990) (applying statutory predecessor). Section 552.111 protects factual information in the draft that also will be included in the final version of the document. *See id.* at 2-3. Thus, section 552.111 encompasses the entire contents, including comments, underlining, deletions, and proofreading marks, of a preliminary draft of a policymaking document that will be released to the public in its final form. *See id.* at 2.

You state the information submitted as Exhibit B consists of a preliminary draft of a presentation related to a local election involving two sales tax propositions. You explain the final version of the presentation was posted to the city's website. Based on your representations and our review of the information at issue, we find the city may withhold Exhibit B under section 552.111 of the Government Code. The city must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Nicholas A. Ybarra
