Kaufman County Sheriff's Office

OR2016-19899

Dear Ms. Dorough:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 625217.

The Kaufman County Sheriff's Office (the "sheriff's office") received two requests from different requestors for reports, specified policies and procedures, video recordings, pictures, and 9-1-1 calls related to a specified incident. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code.<sup>1</sup> We have considered the exception you claim and reviewed the submitted representative sample of information.<sup>2</sup>

Initially, you inform us some of the requested information at issue was the subject of a previous request for information, as a result of which this office issued Open Records Letter

---

<sup>1</sup>Although the sheriff's office raises section 552.101 of the Government Code, the sheriff's office makes no arguments to support this exception. Therefore, we assume the sheriff's office has withdrawn its claim this section applies to the submitted information. *See* Gov't Code §§ 552.301, .302.

<sup>2</sup>We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

No. 2016-01459 (2016). In that ruling, we determined the sheriff's office may withhold the submitted information in accordance with section 552.108(a)(1) of the Government Code. However, we note the circumstances have changed and the sheriff's office may not rely on Open Records Letter No. 2016-01459 as a previous determination. *See* Open Records Decision No. 673 (2001) (so long as law, facts, and circumstances on which prior ruling was based have not changed, first type of previous determination exists where requested information is precisely same information as was addressed in prior attorney general ruling, ruling is addressed to same governmental body, and ruling concludes information is or is not excepted from disclosure). Accordingly, we will consider your argument against disclosure of the information at issue.

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why this exception is applicable to the information at issue. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). Section 552.108 may be invoked by the proper custodian of information relating to an investigation or prosecution of criminal conduct. Open Records Decision No. 474 at 4-5 (1987). Where a governmental body possesses information relating to a pending case of another law enforcement agency, the governmental body may withhold the information under section 552.108(a)(1) if it demonstrates the information relates to the pending case and this office is provided with a representation from the law enforcement entity that the law enforcement entity wishes to withhold the information.

You state the submitted information pertains to an active criminal investigation being conducted by the Texas Rangers. You inform us the Texas Rangers object to release of the submitted information, as its release would interfere with the investigation or prosecution of the crime at issue. Based on these representations, we conclude the release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Accordingly, we agree the submitted information is subject to section 552.108(a)(1) of the Government Code.

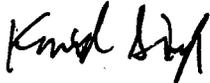

However, we note section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov’t Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-88; Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Thus, with the exception of the basic information, which must be released, the

sheriff's office may withhold the submitted information under section 552.108(a)(1) of the Government Code on behalf of the Texas Rangers.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
