

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

September 6, 2016

Ms. Michelle L. Villarreal
Deputy City Attorney
City of League City
300 West Walker Street
League City, Texas 77573

OR2016-20042

Dear Ms. Villarreal:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 630748 (ORR# 16-369).

The City of League City (the "city") received a request for information pertaining to specified types of complaints at a specified address. You claim portions of the submitted information are excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. You raise section 552.101 in conjunction with the common-law informer's privilege, which Texas courts have long recognized. *See Aguilar v. State*, 444 S.W.2d 935, 937 (Tex. Crim. App. 1969). The informer's privilege protects from disclosure the identities of persons who report activities over which the governmental body has criminal or quasi-criminal law-enforcement authority. *See Open Records Decision No. 208* at 1-2 (1978). The informer's privilege protects the identities of individuals who report violations of statutes to the police or similar law-enforcement agencies, as well as those who report violations of statutes with civil or criminal penalties to "administrative officials having a duty of inspection or of law enforcement within their particular spheres." *Open Records Decision No. 279* at 1-2 (1981) (citing 8 John H. Wigmore, *Evidence in Trials at Common Law*, § 2374, at 767 (J. McNaughton Rev. Ed. 1961)). The report must be of a violation of a criminal or civil statute. *See Open Records Decision Nos. 582* at 2 (1990), 515 at 4 (1988). However, witnesses who provide information in the course of an investigation but do not

make a report of the violation are not informants for the purposes of claiming the informer's privilege. The privilege excepts the informer's statement only to the extent necessary to protect that informer's identity. Open Records Decision No. 549 at 5 (1990). We note the informer's privilege does not apply where the informant's identity is known to the individual who is the subject of the complaint. *See* ORD 208 at 1-2.

You state portions of the submitted information, which you marked, identify complainants who reported violations of the law. However, you do not inform us, and we are unable to determine, whether the alleged violations at issue carry criminal or civil penalties. Therefore, we find the city has failed to demonstrate the applicability of the common-law informer's privilege to any portion of the submitted information. Accordingly, the city may not withhold any of the submitted information under section 552.101 of the Government Code on that basis. As you raise no further exceptions to disclosure, the city must release the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act may be directed to the Office of the Attorney General, toll free, at (888) 672-6787.

Sincerely,

Kenny Moreland
Assistant Attorney General
Open Records Division
