

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

September 7, 2016

Mr. Mark E. Dempsey
Assistant City Attorney
City of Garland
P.O. Box 469002
Garland, Texas 75046-9002

OR2016-20111

Dear Mr. Dempsey:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 626010 (ORR No. GCA16-0433).

The Garland Police Department (the "department") received a request for a specified report. You state the department has released some of the requested information. You claim some of the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why this exception is applicable to the information at issue. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the information at issue, which you have marked, relates to a criminal case that resulted in the conviction of one of the suspects. However, you explain the remaining suspect is still at large and a criminal investigation is still ongoing with respect to the remaining suspect. We understand you to assert the information pertaining to the convicted individual is so intertwined with the pending investigation of the remaining suspect that it cannot easily be separated. Based upon your

representations, we conclude release of the information you have marked would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Accordingly, we find the department may withhold the information you have marked under section 552.108(a)(1) of the Government Code. As you raise no further exceptions to disclosure, the department must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
