Dear Ms. Thomas:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 631160.

The Temple Police Department (the "department") received a request for all records pertaining to a specified incident. You claim the requested information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim.

The requested information was the subject of a previous request for information, as a result of which this office issued Open Records Letter No. 2016-16718 (2016). In that ruling, we determined with the exception of basic information, which must be released, the department may withhold the submitted information under section 552.108(a)(1) of the Government Code. We have no indication there has been any change in the law, facts, or circumstances on which the previous ruling was based. Accordingly, the department may rely on Open Records Letter No. 2016-16718 as a previous determination and withhold or release the identical information in accordance with that ruling.¹ See Open Records Decision No. 673 (2001) (so long as law, facts, and circumstances on which prior ruling was based have not changed, first type of previous determination exists where requested information is

precisely same information as was addressed in prior attorney general ruling, ruling is addressed to same governmental body, and ruling concludes that information is or is not excepted from disclosure).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
