

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

September 8, 2016

Ms. Kristie L. Lewis
Staff Attorney
Houston Police Department
1200 Travis
Houston, Texas 77002-6000

OR2016-20292

Dear Ms. Lewis:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 625826 (HPD ORU No. 16-4807).

The Houston Police Department (the "department") received a request for information pertaining to a specified incident. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note you have only submitted information pertaining to the internal affairs investigation of the incident. To the extent any remaining information responsive to the incident at issue existed on the date the department received the request, we assume the department has released it. If the department has not released any such information, it must do so at this time. *See* Gov't Code §§ 552.301(a), .302; *see also* Open Records Decision No. 664 (2000) (if governmental body concludes no exceptions apply to requested information, it must release information as soon as possible).

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses section 143.1214 of the Local Government Code. You state the City of Houston is a civil service city under chapter 143 of the Local Government Code. Section 143.1214 provides in relevant part:

(b) The department shall maintain an investigatory file that relates to a disciplinary action against a fire fighter or police officer that was overturned on appeal, or any document in the possession of the department that relates to a charge of misconduct against a fire fighter or police officer, regardless of whether the charge is sustained, only in a file created by the department for the department's use. The department may only release information in those investigatory files or documents relating to a charge of misconduct:

- (1) to another law enforcement agency or fire department;
- (2) to the office of a district or United States attorney; or
- (3) in accordance with Subsection (c).

(c) The department head or the department head's designee may forward a document that relates to disciplinary action against a fire fighter or police officer to the director or the director's designee for inclusion in the fire fighter's or police officer's personnel file maintained under Sections 143.089(a)-(f) only if:

- (1) disciplinary action was actually taken against the fire fighter or police officer;
- (2) the document shows the disciplinary action taken; and
- (3) the document includes at least a brief summary of the facts on which the disciplinary action was based.

Local Gov't Code § 143.1214(b)-(c). You inform us the submitted information relates to an internal affairs division investigation of alleged misconduct by a department officer. We understand that because the investigation is pending, the allegations have not been sustained and no disciplinary action has been taken. You state the requestor does not represent another law enforcement agency or fire department or a district or United States attorney's office. You state the information at issue does not meet the requirements of section 143.1214(c) for inclusion in the officer's civil service personnel file. *See id.* § 143.1214(c); *see also id.* § 143.089(a)-(g). Thus, based on your representations and our review, we conclude the department must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 143.1214 of the Local Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
