University of North Texas System

OR2016-20337

Dear Mr. Gleboff:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 631858 (PIR# 004298).

The University of North Texas System (the "university") received a request for a specified police report. You indicate the university will release some of the requested information. You claim portions of the submitted information are excepted from disclosure under sections 552.101, 552.108, and 552.130 of the Government Code.¹ We have considered the exceptions you claim and reviewed the submitted representative sample of information.²

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested

¹Although you do not raise sections 552.101 and 552.130 of the Government Code in your brief, we understand the university to assert these exceptions based on your markings.

²We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the information you have marked relates to a pending criminal prosecution. Based upon this representation and our review, we find release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (delineating law enforcement interests present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Accordingly, the university may withhold the information it has marked under section 552.108(a)(1) of the Government Code.

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. This section encompasses laws that make criminal history record information (“CHRI”) confidential. CHRI generated by the National Crime Information Center or by the Texas Crime Information Center is confidential under federal and state law. Title 28, part 20 of the Code of Federal Regulations governs the release of CHRI that states obtain from the federal government or other states. Open Records Decision No. 565 at 7 (1990). The federal regulations allow each state to follow its individual law with respect to CHRI it generates. *Id.* Section 411.083 of the Government Code deems confidential CHRI the Department of Public Safety (“DPS”) maintains, except DPS may disseminate this information as provided in chapter 411, subchapter E-1 and subchapter F of the Government Code. *See* Gov’t Code § 411.083. Sections 411.083(b)(1) and 411.089(a) authorize a criminal justice agency to obtain CHRI; however, a criminal justice agency may not release CHRI except to another criminal justice agency for a criminal justice purpose. *Id.* § 411.089(b)(1). Other entities specified in chapter 411 of the Government Code are entitled to obtain CHRI from DPS or another criminal justice agency; however, those entities may not release CHRI except as provided by chapter 411. *See generally id.* §§ 411.090-.127. Similarly, any CHRI obtained from DPS or any other criminal justice agency must be withheld under section 552.101 of the Government Code in conjunction with Government Code chapter 411, subchapter F. *See id.* § 411.082(2)(B) (term CHRI does not include driving record information). Accordingly, the university must withhold the CHRI you marked under section 552.101 of the Government Code in conjunction with section 411.083 of the Government Code.

Section 552.101 also encompasses the doctrine of common-law privacy. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). In considering whether a public citizen’s date of birth is private, the Third Court of Appeals looked to the supreme court’s rationale in *Texas Comptroller of Public Accounts v. Attorney General of Texas*, 354 S.W.3d 336 (Tex. 2010). *Paxton v. City of Dallas*, No. 03-13-00546-CV, 2015 WL 3394061, at *3 (Tex. App.—Austin May 22, 2015, pet. denied) (mem. op.). The supreme court concluded public employees’ dates of birth are private under section 552.102 of the Government Code because the employees’ privacy interest substantially outweighed

the negligible public interest in disclosure.³ *Texas Comptroller*, 354 S.W.3d at 347-48. Based on *Texas Comptroller*, the court of appeals concluded the privacy rights of public employees apply equally to public citizens, and thus, public citizens' dates of birth are also protected by common-law privacy pursuant to section 552.101. *City of Dallas*, 2015 WL 3394061, at *3. However, we note the requestor is the authorized representative of an individual whose date of birth is at issue. Thus, the requestor has a special right of access to this information under section 552.023 of the Government Code. *See* Gov't Code § 552.023(b) (governmental body may not deny access to person to whom information relates or person's agent on grounds that information is considered confidential by privacy principles); Open Records Decision No. 481 at 4 (1987) (privacy theories not implicated when individual requests information concerning himself). Therefore, with the exception of the requestor's client's date of birth, the university must withhold all public citizens' dates of birth under section 552.101 of the Government Code in conjunction with common-law privacy.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130. Upon review, we find portions of the remaining information consist of motor vehicle record information. We note section 552.130 protects personal privacy. Accordingly, the requestor has a right of access to his clients' motor vehicle record information under section 552.023 of the Government Code and it may not be withheld under section 552.130. *See id.* § 552.023(a); ORD 481 at 4. Thus, with the exception of the information we have marked for release, the university must withhold the motor vehicle record information you have marked under section 552.130 of the Government Code.

In summary, the university may withhold the information it has marked under section 552.108(a)(1) of the Government Code. The university must withhold the CHRI it marked under section 552.101 of the Government Code in conjunction with section 411.083 of the Government Code. With the exception of the requestor's client's date of birth, the university must withhold all public citizens' dates of birth under section 552.101 of the Government Code in conjunction with common-law privacy. With the exception of the information we have marked for release, the university must withhold the motor vehicle record information it marked under section 552.130 of the Government Code. The remaining information must be released.⁴

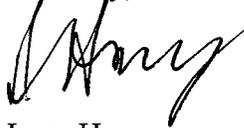

³Section 552.102(a) excepts from disclosure "information in a personnel file, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy." Gov't Code § 552.102(a).

⁴We note the information being released contains confidential information to which the requestor has a right of access. *See* Gov't Code § 552.023(a); Open Records Decision No. 481 at 4 (1987) (privacy theories not implicated when individual or authorized representative asks governmental body to provide information concerning that individual). Thus, if the university receives another request for this particular information from a different requestor, then the university should again seek a decision from this office.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
