Ms. Ann-Marie Sheely
Assistant County Attorney
Travis County
P.O. Box 1748
Austin, Texas 78767-1748

OR2016-20577

Dear Ms. Sheely:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 631840.

The Travis County Sheriff's Office (the "sheriff's office") received a request for information concerning a specified incident. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

Section 552.101 of the Government Code excepts from public disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses section 58.007 of the Family Code, which provides:

(c) Except as provided by Subsection (d), law enforcement records and files concerning a child and information stored, by electronic means or otherwise,

¹We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than those submitted to this office.

concerning the child from which a record or file could be generated may not be disclosed to the public and shall be:

(1) if maintained on paper or microfilm, kept separate from adult files and records;

(2) if maintained electronically in the same computer system as records or files relating to adults, be accessible under controls that are separate and distinct from controls to access electronic data concerning adults; and

(3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subchapters B, D, and E.

...

(e) Law enforcement records and files concerning a child may be inspected or copied by a juvenile justice agency as that term is defined by Section 58.101, a criminal justice agency as that term is defined by Section 411.082, Government Code, the child, and the child's parent or guardian.

...

(j) Before a child or a child's parent or guardian may inspect or copy a record or file concerning the child under Subsection (e), the custodian of the record or file shall redact:

...

(2) any information that is excepted from required disclosure under Chapter 552, Government Code, or other law.

Fam. Code § 58.007(c), (e), (j)(2). Juvenile law enforcement records relating to conduct that occurred on or after September 1, 1997 are confidential under section 58.007(c). Section 58.007 allows the review or copy of juvenile law enforcement records by a child's parent or guardian. *Id.* § 58.007(e). The requested information involves alleged juvenile delinquent conduct or conduct indicating a need for supervision that occurred after September 1, 1997. *See id.* §§ 51.02(2) (for purposes of section 58.007(c), "child" means person ten years of age or older and under seventeen years of age when conduct occurred), .03(a), (b) (defining "delinquent conduct" and "conduct indicating a need for supervision" for purposes of section 58.007). Therefore, the requested information is generally confidential under section 58.007(c). However, the requestor is a parent of the

juvenile offender, so the information pertaining to the requestor's child may not be withheld under section 552.101 of the Government Code on that basis. *See id.* § 58.007(e). Nonetheless, section 58.007(j) provides information subject to any other exception to disclosure under the Act or other law must be redacted. *See id.* § 58.007(j)(2). Accordingly, we will address your claim under section 552.108 of the Government Code.

The requested information includes the breath test results of an individual's blood alcohol content. Section 724.018 of the Transportation Code provides that "[o]n request of the person who has given a specimen at the request of a peace officer, full information concerning the analysis of the specimen shall be made available to the person or the person's attorney." Transp. Code § 724.018. The requestor is the parent of the person who provided the specimen at the request of a peace officer. Although you claim the breath test result is excepted from disclosure under section 552.108 of the Government Code, a specific right of access provision prevails over the Act's general exceptions to disclosure. *See Open Records Decision No. 451 at 4 (1986)* (specific statutory right of access provisions overcome general exceptions to disclosure under statutory predecessor to Act). Therefore, the sheriff's office must release the breath test result, which we marked, pursuant to section 724.018 of the Transportation Code.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the requested information relates to a pending criminal prosecution and its release would interfere with the detection, investigation, or prosecution of a crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976).

However, section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov't Code § 552.108(c). Section 552.108(c) refers to the basic information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186–87; *see also* Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Accordingly, with the exception of the breath test result and basic information, the sheriff's office may withhold the requested information under section 552.108(a)(1) of the Government Code.²

²We note the requestor has a right of access to the information being released. The sheriff's office must again seek a decision from this office if it receives another request for the same information from a different requestor.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
