ATTORNEY GENERAL OF TEXAS

September 13, 2016

Ms. Heather Silver  
Assistant City Attorney  
City of Dallas  
1500 Marilla Street, Room 7DN  
Dallas, Texas 75201

OR2016-20635

Dear Ms. Silver:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 626019.

The City of Dallas (the "city") received a request for information regarding the previous owner of the requestor's adopted dog. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code.<sup>1</sup> We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information protected by other statutes, such as section 826.0311 of the Health and Safety Code, which provides, in part:

---

<sup>1</sup>We note, and you acknowledge, the city did not comply with section 552.301 of the Government Code in requesting this decision. *See* Gov't Code § 552.301(b), (e). Nonetheless, because section 552.101 of the Government Code makes information confidential and thus is a compelling reason to overcome the presumption of openness, we will consider its applicability to the submitted information. *See id.* §§ 552.007, .302, .352.

(a) Information that is contained in a municipal or county registry of dogs and cats under Section 826.031 that identifies or tends to identify the owner or an address, telephone number, or other personally identifying information of the owner of the registered dog or cat is confidential and not subject to disclosure under [the Act].

(b) The information may be disclosed only to a governmental entity or a person that, under a contract with a governmental entity, provides animal control services or animal registration services for the governmental entity for purposes related to the protection of public health and safety. A governmental entity or person that receives the information must maintain the confidentiality of the information, may not disclose the information under [the Act], and may not use the information for a purpose that does not directly relate to the protection of public health and safety.

Health & Safety Code § 826.0311(a), (b). You state the information submitted as Exhibit B is maintained by the city as part of its pet registry. You assert release of this information would identify or tend to identify the owner of a registered dog or an address, telephone number, or other personally identifying information of the owner of a registered dog. Based on your representations and our review, we find the information we marked identifies or tends to identify the owner or an address, telephone number, or other personally identifying information of the owner of a registered dog and is subject to section 826.0311. We have no indication the exception in section 826.0311(b) applies. Accordingly, the city must withhold the information we marked under section 552.101 of the Government Code in conjunction with section 826.0311 of the Health and Safety Code. However, we find you have failed to establish any of the remaining information in Exhibit B identifies or tends to identify the owner of a registered dog or cat or consists of an address, telephone number, or other personally identifying information of the owner of a registered dog or cat for purposes of section 826.0311(a). Therefore, the city may not withhold any of the remaining information in Exhibit B under section 552.101 of the Government Code in conjunction with section 826.0311 of the Health and Safety Code. The remaining information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
