Ms. Leslie O. Haby  
Assistant Criminal District Attorney  
Civil Section  
County of Bexar

San Antonio, Texas 78205

OR2016-20783

Dear Ms. Haby:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 632427 (ORR# 5276).

The Bexar County Medical Examiner's Office (the "medical examiner's office") received a request for a specified autopsy report. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code.<sup>1</sup> We have considered the exception you claim and reviewed the submitted information.

Initially, we note the requestor seeks only the specified autopsy report. You have submitted information beyond this specific piece of information. Thus, the portions of the submitted documents that do not consist of the information requested are not responsive to the present request. This ruling does not address the public availability of any information that is not responsive to the request.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or

<sup>1</sup>Although you also raise section 552.101 of the Government Code, you have not provided any arguments to support this exception. Therefore, we assume you have withdrawn your claim this section applies to the submitted information. *See* Gov't Code §§ 552.301, .302. Further, we note the medical examiner's office did not comply with section 552.301 of the Government Code in requesting a ruling from this office. *See id.* § 552.301(b), (e). Nonetheless, because third-party interests can provide a compelling reason to overcome the presumption of openness, we will consider the submitted argument against release of the submitted information. *See id.* §§ 552.007, .302, .352; *see also* Open Records Decision No. 586 at 3 (1991).

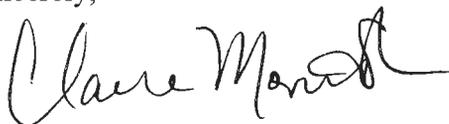

prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). Section 552.108 may be invoked by the proper custodian of information relating to a pending investigation or prosecution of criminal conduct. *See Open Records Decision No. 474 at 4-5 (1987)*. Where a non-law enforcement agency has custody of information that would otherwise qualify for exception under section 552.108 as information relating to the pending case of a law enforcement agency, the custodian of the records may withhold the information if it provides this office with a demonstration the information relates to the pending case and a representation from the law enforcement agency that it wishes to have the information withheld.

You state the San Antonio Police Department (the “department”) has advised the medical examiner’s office the responsive information is related to an active criminal investigation. You have provided documentation demonstrating the department objects to disclosure of the information at issue because its release would interfere with the investigation. Based on these representations, we conclude the medical examiner’s office may withhold the responsive information under section 552.108(a)(1) of the Government Code on behalf of the department. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
