Dear Mr. Coleman:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 633131.

The Milano Independent School District (the "district"), which you represent, received a request for information pertaining to six specified applications for payment. You claim some of the submitted information is excepted from disclosure under section 552.136 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.136 of the Government Code states "[n]otwithstanding any other provision of this chapter, a credit card, debit card, charge card, or access device number that is collected, assembled, or maintained by or for a governmental body is confidential." Gov't Code § 552.136; *see also id.* § 552.136(a) (defining "access device"). This office has determined an insurance policy number is an access device for the purposes of section 552.136. Accordingly, we find the district must withhold the bank account numbers you have marked under section 552.136 of the Government Code. The remaining information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at [http://www.texasattorneygeneral.gov/open/orl\\_ruling\\_info.shtml](http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml), or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Sincerely,
