Dear Ms. Hickman:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 626816.

The City of Beaumont (the "city") received a request for specified reports and photographs pertaining to a specified event. You state you have released some information. You claim the submitted information is excepted from disclosure under section 552.1085 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.1085 of the Government Code provides, in relevant part, the following:

(c) A sensitive crime scene image in the custody of a governmental body is confidential and excepted from the requirements of Section 552.021 and a governmental body may not permit a person to view or copy the image except as provided by this section. This section applies to any sensitive crime scene image regardless of the date that the image was taken or recorded.

Gov't Code § 552.1085(c). For purposes of section 552.1085, "sensitive crime scene image" means "a photograph or video recording taken at a crime scene, contained in or part of a closed criminal case, that depicts a deceased person in a state of dismemberment,

decapitation, or similar mutilation or that depicts the deceased person's genitalia." *See id.* § 552.1085(a)(6). Upon review, we find none of the submitted photographs consist of sensitive crime scene images for the purposes of section 552.1085. Accordingly, the city may not withhold the submitted photographs under section 552.1085(c) of the Government Code. As you raise no further exceptions to disclosure, the city must release the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
