Dear Mr. Beauchamp:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 626624.

The Texas Commission on Law Enforcement (the "commission") received a request for records pertaining to a named individual. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. You also notified the named individual of his right to submit comments to this office stating why the submitted information should not be released.¹ *See* Gov't Code § 552.304 (interested party may submit comments stating why information should or should not be released). We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." *Id.* § 552.101. Section 552.101 of the Government Code encompasses section 1701.454 of the Occupations Code, which governs the public availability of information submitted to the commission under subchapter J of chapter 1701 of the Occupations Code. Section 1701.454 provides as follows:

¹As of the date of this letter, this office has not received comments from the third party explaining why any of the submitted information should not be released.

(a) All information submitted to the commission under this subchapter is confidential and is not subject to disclosure under [the Act], unless the person resigned or was terminated due to substantiated incidents of excessive force or violations of the law other than traffic offenses.

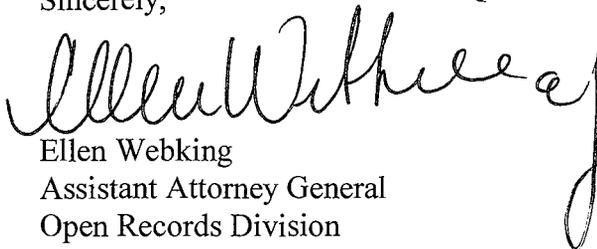

(b) Except as provided by this subchapter, a commission member or other person may not release information submitted under this subchapter.

Occ. Code § 1701.454. The submitted information consists of information that was submitted to the commission pursuant to subchapter J of chapter 1701 of the Occupations Code. The information at issue does not indicate the officer whose information is at issue resigned or was terminated due to substantiated incidents of excessive force or violations of the law other than traffic offenses. Therefore, the commission must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 1701.454 of the Occupations Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
