

OFFICE OF THE ATTORNEY GENERAL OF TEXAS
AUSTIN

GROVER SELLERS
ATTORNEY GENERAL
Hon. Roscoe Runge
District Attorney
Mason, Texas

Dear Sir:

Opinion No. 0-7326

Re: May A & M College hire a District Field Assistant for Rodent Control Service who has been convicted of a felony, to-wit: bigamy, and paroled.

We are in receipt of your recent request for an opinion of this department on the above stated matter. We quote from your letter of request as follows:

"Will you please advise if a person convicted of a felony to-wit: bigamy in the State of Utah, who was paroled but never pardoned, and whose sentence has been fully served may serve as Senior District Field Assistant in the Rodent Control Service of A & M College of Texas?"

Our research on the law fails to disclose any constitutional or statutory inhibitions to the employment referred to. A person if employed by A & M College of Texas under the state of facts suggested by your letter would be nothing more than a mere employee and, consequently, there is no prohibition in the law against such an employment.

We, therefore, answer your question in the affirmative.

Yours very truly

ATTORNEY GENERAL OF TEXAS
