Opinion Committee

Dear Ms. Johnson:

A constituent, Mr. G. G. Sloan, P. O. Box 345, Savoy, TX 75479, has requested by letter an opinion from your office as to whether the membership of an electric cooperative is subject to the Open Records Act. Mr. Sloan has contacted me since he has not received a response from your office.

This is to formally request an opinion from your office. Is the membership of an electric cooperative subject to the Open Records Act?

Your assistance with this request is appreciated.

Sincerely,

L.P. Patterson
