Opinion Committee

Dear General Morales:

Attached hereto is a copy of my letter to you dated September 30, 1993, together with a copy of a letter sent to the executive director of Harris County Flood Control District advising him of our opinion of the legal effect of Senate Bill 586 which was passed during the 1993 legislative session.

Your reply of February 3, 1994 indicated that, because of the anticipation of imminent litigation involving a very similar situation, our opinion request (ID #22581) would be closed, and that we could resubmit the request at a later date.

Bill Walker advised me this week that the litigation which had been anticipated in 1993 did not materialize, and that your office is now free to consider our request for an opinion. Please advise me if anything further is required.

Yours very truly,

MIKE DRISCOLL  
County Attorney
