Re: Attorney General's opinion request.

Dear Dan,

The City of Plano, Texas has recently received a proposal (Exhibit 'A' attached) from a member of the Plano Independent School District Board of Trustees requesting the City to collect a user fee from future building permits, such money to be used for the construction of new schools in the City of Plano.

In response to this proposal, the City Attorney of the City of Plano has proposed an opinion (Exhibit 'B' attached) stating in effect that such proposal is not legally permissible.

I would appreciate the opinion of your office in regards to the PISD's proposal and the Plano City Attorney's proposed opinion.

Sincerely,

Fred Hill
