RE: Response to Request to Cease and Desist Unlawful Electioneering

Dear Superintendent Dyes and the Board of Trustees:

Thank you for your e-mail of Thursday, February 15, 2018 advising that you received our letter of February 14, 2018 and intend to comply.

As you know, on February 14, 2018, our office remitted to your district an open records request. We trust you are also in receipt of our response today to your clarification request of February 20, 2018. By our calculations, your district's response to that request is due no later than ten business days, or March 7, 2018. We look forward to receiving those documents and continuing our dialogue regarding this important matter.

Sincerely,

A handwritten signature in black ink that reads "Cleve W. Doty".
