AGREED FINAL JUDGMENT AND PERMANENT INJUNCTION

TO THE HONORABLE JUDGE OF SAID COURT:

On this 16th day of may, 2019, came on to be heard the above-entitled and numbered cause wherein the STATE OF TEXAS (State) is Plaintiff and ENCINAL FUEL, LLC d/b/a ENCINAL FUEL STOP (Encinal Fuel) is Defendant. In this action, the State alleges that following the Texas Governor's disaster declaration due to Hurricane Harvey, Defendant engaged in price gouging by charging consumers up to \$9.99 per gallon of gasoline in violation of § 17.46 of the Texas Deceptive Trade Practices Act, Tex. Bus. & Com. Code (DTPA). Specifically, the State alleges that Defendant violated the DTPA because it took advantage of a disaster declared by the Texas Governor under Chapter 418 of the Government Code by selling fuel at an exorbitant or excessive price or demanding an exorbitant or excessive price in connection with the sale of fuel. The parties, by and through their attorneys of record, have made the following stipulations and agree to the entry of this Agreed Final Judgment and Permanent Injunction (Agreed Judgment) as a compromise and settlement of disputed claims.

6. Defendant acknowledges receipt of copies of this Agreed Judgment.
7. The parties have compromised and settled all claims alleged by the State in this cause without the necessity of a trial and this Agreed Judgment does not constitute an admission by Defendant of any violation of law or regulation.
8. The parties agree that nothing in this Agreed Judgment shall be constructed to affect any action or proceeding by any regulatory body or other state agency, whether such action or proceeding is related to any issue addressed by this Agreed Judgment or otherwise.
9. The parties agree that, should any clause, provision, or section of this Agreed Judgment, for any reason, be held illegal, invalid, or unenforceable, such illegality, invalidity, or unenforceability shall not affect any other clause, provision, or section of this Agreed Judgment, and this Agreed

Judgment shall be construed and enforced as if such illegal, invalid, or unenforceable clause, section or provision had not been contained herein.

10. The parties agree to waive the thirty (30) day period in which to file a Motion for New Trial and waive any and all rights to appeal this Agreed Judgment.

FACTUAL BACKGROUND

12. On August 23, 2017, Governor Greg Abbott declared a State of Disaster under Texas Government Code section 418.014 anticipating the landfall of then Tropical Storm Harvey (Harvey State of Disaster).

13. On August 25, 2017, Hurricane Harvey made landfall on the Texas Gulf Coast.

14. On September 1, 2017, Governor Abbott issued a price gouging declaration emphasizing the unlawful practice of price gouging: "Texans impacted by this disaster are particularly vulnerable to economic exploitation during this challenging time . . . Texas law prohibits price gouging and gives the attorney general the authority to prosecute anyone throughout Texas who takes advantage of a declared disaster by charging an exorbitant or excessive price for fuel."

15. Encinal Fuel operated a fuel station located in Encinal, Texas, that sold fuel to consumers from August 31, 2017 through September 3, 2017, which was during the Harvey State of Disaster.

16. The Attorney General's Consumer Protection Division received complaints from consumers that Defendant was charging up to \$9.99 per gallon of gasoline during the Harvey State of Disaster.

Defendant's price for fuel is presumed exorbitant or excessive when the price per gallon during a State of Disaster is greater than 125 percent of Defendant's 30-day average price per gallon immediately prior to the State of Disaster, unless Defendant can demonstrate through its written records that the price increase is attributable to additional fuel supply costs incurred by Defendant.

31. **IT IS FURTHER ORDERED** that Defendant shall not represent to the public that this Agreed Judgment constitutes approval by the State or this Court of any of Defendant's actions or business practices.

32. **IT IS FURTHER ORDERED** that this Agreed Judgment is final as to all parties and disposes of all claims asserted by the parties in this instant case. All relief asserted or which could have been asserted among the parties to this Agreed Judgment hereto based on the legal and factual allegations in this underlying cause for alleged violations of the DTPA not expressly granted herein is denied.
