RE: The State of Texas v. Robert Shukru Icsezen
Cause No:
Charge: UNL OBSTRUCTING ELECTION WATCHER

Dear Robert Shukru Icsezen,

This letter is to inform you that the above cited case was presented to the Grand Jury on June 24, 2021. The Grand Juries are conducted in the State of Texas to allow an independent body of citizens to determine whether a crime has been committed and if so, whether there is probable cause to believe that the accused committed the crime. Without going into the details of the deliberation, the Grand Jury determined that there was insufficient evidence to show that probable cause existed. Therefore, the Grand Jury issued a "No Bill" and the case was dismissed.

Sincerely,
Susan Bond
