PLAINTIFFS' MOTION FOR TEMPORARY RESTRAINING ORDER
AND PRELIMINARY INJUNCTION

Plaintiffs the State of Texas, American Association of Pro-Life Obstetricians & Gynecologists, and Christian Medical & Dental Associations move for a temporary restraining order and preliminary injunction pursuant to Rule 65 of the Federal Rules of Civil Procedure.

As set forth more fully in the brief filed in support of this motion, injunctive relief is warranted because Plaintiffs are likely to prevail on their claims that the Abortion Mandate is unlawful. Defendants lacked statutory authority to adopt it, failed to follow required procedures

for adopting a rule, acted arbitrarily and capriciously, and made other legal errors. Moreover, the Abortion Mandate will cause irreparable harm by requiring doctors and hospitals to either violate State law and risk their medical licenses or comply with State law and risk enormous penalties and loss of federal funding.

For the reasons discussed here and in Plaintiffs' brief in support, the Court should grant Plaintiffs' request for a temporary restraining order and preliminary injunction.

Respectfully submitted.
